New Sports Complex Would Be A Good Addition For Yankton

BY JAMES D. CIMBUREK
james.cimburek@yankton.net

If you see a young person out and about this weekend, he or she will probably be wearing a jersey.

Between the 64 soccer teams, 21 softball teams and 10 baseball teams that will be in town this weekend, a lot of young people will be in Yankton today (Saturday) and Sunday. With them, they will be bringing their parents, maybe siblings or grandparents and, of course, their money.

Many of these people will be staying in Yankton's hotels, eating at its restaurants and shopping at its stores. Some might even bring their boats or campers and make a vacation out of it.

Just imagine Yankton being able to bring in more and bigger events. That is part of what is up for grabs as Yankton begins debate on a new sports complex.

Part of the discussion is based on necessity. Yankton has an amateur team, two American Legion teams and three VFW Teener baseball teams sharing one field for both practice and games. Seven traveling and several youth rec girls' softball teams share three fields, only one of which is lighted. The fate of Lewis & Clark Soccer Park is up in the air as the city debates the use for that property.

We have seen what new facilities have done for archery. The National Field Archery Association has brought national and international events to Yankton since taking root here. Every year, some of the top archers in the world make their way to Yankton for events.

Yankton may not get world-level events in softball, baseball or soccer with a new complex, but more fields would mean more and bigger events for the city. And, if you're looking at the bottom line, that's a win.

K-P's Neumann Signs With Mount Marty Baseball

Travis Neumann of Kinsley, Iowa, will attend Mount Marty College and play baseball for the Lancers, the institution announced Friday.

Neumann

Neumann, a graduate of Kingsley-Pierson High School, his team to a District Championship and a Sub-State Runner-up finish this past season. For his efforts he was named First Team All-Western Valley Conference Team twice and was also named 2nd Team All-District.

Neumann, a catcher finished the season with a .378 batting average with 37 hits, 20 runs, 11 doubles, and two triples. He also led the team with 40 runs batted in and set a school record throwing out 17 runners attempting to steal. Neumann is off to another great start this season in which he is currently batting .400 and has already thrown out 10 runners.

"Travis is a huge pick up for us. He has a strong arm, a good frame, moves well and has the potential to hit for power at the college level," said MMC head baseball coach Andy Bernatow. "With the new bats at the college level the game is changing and having a catcher that can throw runners out is needed if we want to be successful. More and more teams are becoming aggressive on the base paths and shutting down running games is a huge priority. Travis looks to have the ability to keep running games in check."

The son of Jon and Brenda Neumann, he will major in Business and Recreation Management at Mount Marty. Neumann is the recipient of an MMC Academic Scholarship and a Baseball Scholarship at Mount Marty College.

Former Viking Hansen Assigned To A's Rookie League Squad

PHOENIX, Ariz. — Former Augustana pitcher Derek Hansen has been assigned to the Oakland Athletics' team in the Arizona Rookie League. The team is based in Phoenix.

Hansen, from Fergus Falls, Minn., was selected June 6 by the Athletics with the 769th pick in the 25th round of the Major League Baseball First-Year Player Draft.

Hansen, who completed his junior year at Augustana in 2012, is the first Viking drafted since 2007 when Mike Loberg was selected in the 33rd round by the San Francisco Giants. Hansen is the fifth Viking player to be selected in the MLB Draft and the highest pick in program history.

Hansen was the Northern Sun Intercollegiate Conference Pitcher of the Year and an all-conference first-team selection at both pitcher and first base. The right-hander went 7-4 with a 1.60 earned-run average this season, striking out a school-record 103 batters in just 67.2 innings. Opponents were limited to a .181 batting average, and he allowed just one home run all year.

Irene 10, Freeman 5

FREEMAN — Irene jumped out to a 5-1 lead but needed a late surge to beat Freeman 10-5 in South Central League action Thursday.

Freeman battled back with runs in the fourth (2), fifth and sixth innings after the Cardinals scored five runs in the second. Irene plated three in the seventh to take the lead, then added two in the ninth to ice the win.

Matt Sees and Adam Gale had four hits each as Irene outhit the Black Sox 13-8. Mike King and Wes Robertson added two hits each.

Jake Weier, Mitch Wollman and Austin Smidt had two hits each.

George Sees pitched six innings for the win, with Simon Healy pitching the final three for the save. Smidt took the loss in relief of Brandon Deffenbaugh, who was lifted after two innings.

and missed a 12-foot putt. With a mid-iron in his hand in the fairway on the par-5 17th, he went over the green and down a deep slope. Despite a superb pitch to 8 feet, he missed the putt.

And with a wedge from the fairway on the 18th, he came up well short and into a bunker, having to settle for par.

Furyk rolled in a 40-foot birdie putt from off the third green in the morning, the highlight of his 69.

"Plod, I think, is a good word," Furyk said. "You take what the course gives you and play the best you can from there."

Woods is coming off his second win of the year two weeks ago at the Memorial, and hasn't lost a step. It might not show it in the scores, just the leaderboard.

"A long way to go," he said.

Woods had won eight straight times when he had at least a share of the lead going into the weekend at the majors, a streak that ended at the 2009 PGA Championship when Y.E. Yang chased him down from four shots back. Woods hasn't seriously contended in the final hour of a major since then.

Sharing the lead with other major champions might not be a coincidence.

"Whoever wins this golf tournament is going to be a great champion, somebody that's probably won events before, that can handle the emotions and can handle the adversity in a U.S. Open, and somebody with experience," Toms said. "At least that's what I think. You never know. Strange things can happen, but I would think that you would see a lot of that on the leaderboard come late Sunday."

And a stern test waits on the weekend. Asked for a winning score, McDowell deferred to the USGA.

"They can have whatever they want," McDowell said. "If they want 5 over to win, 10 over to win it ... they can hide these pins away. I would have to imagine around level par."

Woods, who played the difficult six-hole opening stretch at 1 under in the opening round, wasn't so fortunate the second time around.
