Event To Feature GOP U.S. House Candidates

From P&D Staff Reports

VERMILLION — Three Republican candidates for U.S. House have been invited to appear Monday at a forum in Vermillion.

The forum begins at 7 p.m. at the W.H. Over Museum on the University of South Dakota campus, according to Clay County Republican chairwoman Donna Schafer. The public is invited to attend the event.

Chris Nelson of Pierre, Kristi Noem of Castlewood and Dr. Blake Curd of Sioux Falls have been extended invitations to the event, Schafer said.

Nelson and Noem have indicated they will attend, while organizers are awaiting final confirmation from Curd, Schafer said.

Nelson currently serves as the South Dakota Secretary of State, while Noem and Curd serve in the South Dakota Legislature.

Plans call for a panel format, opening with questions presented to the candidates, Schafer said. The floor will then be opened up for audience questions, she said.

A \$7 admission will be charged for the event, which includes dessert and benefits the Clay County Republicans, Schafer said.

Herseth Sandlin To Host Flood Meeting

From P&D Staff Reports

CENTERVILLE — U.S. Rep. Stephanie Herseth Sandlin will hold a community meeting Monday in Centerville to discuss flooding concerns.

The meeting is invited to attend the meeting at 10:30 a.m. in the American Legion Hall, located at 921 Main Street.

The meeting will address ongoing relief efforts related to this year's flooding of the Vermillion River and its tributaries, as well as to plan for future flood mitigation, according to a press release.

The meeting features Herseth Sandlin (D-S.D.), state and local officials, emergency response personnel and the Army Corps of Engineers. In addition, the public will have an opportunity to share its concerns and ideas.

Recently, Rep. Herseth Sandlin hosted a series of seven community meetings to discuss flooding in communities across northeastern South Dakota.

Last fall, Herseth Sandlin hosted U.S. Agriculture Secretary Tom Vilsack to show him the flood damage in northeastern South Dakota. They also discussed the impact of this flooding on agricultural producers and rural communities at a Rural Issues Forum near Bath.

Herseth Sandlin also recently met with Colonel Robert Ruch, the Commander and District Engineer of the Omaha District of the Army Corps of Engineers, to discuss the current situation in South Dakota and assistance that the Corps can provide.

Herseth Sandlin has also been in communication with Craig Fugate, administrator of the Federal Emergency Management Agency (FEMA) and Kristi Turman, the director of South Dakota Office of Emergency Management.
