Warm Weather Leads To Shuffling In Leader Board

This is the Press & Dakotan Leader Board for the 2010 season. To qualify, an area athlete must post the mark at a varsity meet.

A "I" denotes marks posted indoors, a "R" denotes current records and a "S" denotes marks achieved at a post-season event (district/regions, state).

All-time marks are in bold, with

the year they were achieve	ed.

MIAMI (AP) — Paul Pierce's 21foot jumper at the buzzer — with injured Miami star Dwyane Wade watching helplessly from the bench — gave Boston a 100-98 win Friday night in Game 3 of the Eastern Conference first-round series.

The Celtics lead the best-ofseven 3-0, and will go for the sweep Sunday in Miami. No NBA team has

thanked everybody along the way for putting her where she is

"The keys that I learned were hard work and discipline," Cihak said. "If you really want some-

thing you have to put in the time, you have to be dedicated to it and have to be committed to it."

Cihak gave some words of wisdom to the younger generation coming to the varsity level of competition.

"Just get involved with anything, it doesn't have to be sports, just some sort of activity," she said. "That is where you really develop your friendships and learn a lot about life.

Rapid City Advances To CHL Final

RAPID CITY (AP) — The Rapid City Rush are playing for a Central

Hockey League championship. The South Dakota team in just its second year of existence faces the expansion Allen (Texas) Americans in Rapid City Friday night in Game 1 of the Ray Miron President's Cup finals.

The Rush defeated the Bossier-Shreveport Mudbugs Wednesday night in Game 7 of the North Division semifinals.

Game 2 of the best-of-seven finals is scheduled for Saturday in Rapid City, while games 3 through

5 will be played in Texas. Games 6 and 7, if necessary, will be back in Rapid City.

In addition to Warren and Gorsuch, USD also saw action from its two other quarterbacks, redshirt freshmen Tyler Wilhelm and Pierre native Kyle Cichos. The younger duo combined to complete just 1-of-9 passes for three yards.

Though the spring game is designed more for offensive production, the defense was also awarded points for certain outcomes. For example, a turnover was worth six points and a defensive stop was worth two.

Using that formula, the Coyotes — with five returning defensive starters — used three late interceptions to make things interesting.

Shane Potter and Julian Tucker recorded interceptions, while David Bowen added a 32yard interception return for a touchdown. Quincy Christie led the defense with nine tackles, while Aramis Calloway chipped in with seven.

"We came out and struggled right away, but things came around for us," Potter said. "It was definitely fun to get back out here and play something that matters more than a practice.

"We're not supposed to win in the spring game," he added with a smile. "But we put up some points.

For a team coming off a 5-5campaign and entering its third at the Division I Football

Championship Subdivision (FCS) level, the Coyotes have the summer and fall ball to prepare for an aggressive schedule that begins Sept. 4 at Central Florida, according to Meierkort.

"We'll be able to piece together a pretty good squad come the fall," the seventh-year coach

In the case of Warren, he'll spend the next four months knowing he has the starting job after two seasons serving as Noah Shepard's backup.

"Going through spring ball at 100 percent, I found out what I need to improve on," Warren said while signing autographs Friday night. "I just need to execute on those. We have all summer to prepare and get better, and that's what I want to do.
