Roll up your sleeves and get ready to start your spring cleaning early this year. The Treasure Hunters Roadshow opens tomorrow in **Yankton** and is looking for anything old. Remember those matchbox cars you played with as a kid? You know, the ones that have been stored away in the attic for the past 30 years. Well it's time to dig 'em out, along with any other forgotten treasures. You might be sitting on a small fortune and not even know it.

Roadshow representative, Archie Davis, explains what the event is all about. "It's a chance to sell just about anything that's old, and get a fair price. We host over 1,000 shows every

year throughout the U.S. and Canada. Toys, dolls, trains, pocket watches, old advertising signs, gold jewelry, coins and just about anything can be sold at the Roadshow. This event is popular because it puts money in people's pockets. At a typical show, we will see hundreds of people during the five day event. We will see a few unusual items, but mostly we will see a lot of old coins, gold jewelry, and a wide variety of antiques and collectibles. Last week at a show in Missouri, a retired dentist walked in with over 5 lbs. of dental gold fillings. "I would say that is pretty unusual, wouldn't you

say?" commented Davis. The gentleman received over \$31,243 for his gold fillings. He told Davis that over the years he would keep the extracted teeth when the owners didn't want them. He would throw them in a jar and over the years it added up to over 5 lbs. of gold. Now, not everyone has a jar of gold teeth lying around, but according to Davis, more than you might think have some sort of gold they can cash in. Davis says, "The Roadshow receives a fair amount of gold each day of the 5 day event."

Broken jewelry, gold coins and dental gold are all valuable items with today's high gold prices. Archie Davis commented, "Other top categories at the Roadshow would have to be silver dollars and other coins, pocket watches and my personal favorite, old toys." Davis told me a story about a visitor at a recent Roadshow in Iowa. "This elderly gentleman walked into the show and asked if we were interested in old toys. The fellow must have been in his late seventies or early eighties. He explained that he had kept all of the toys from his childhood and that they were outside in his pickup. I walked outside, and to my surprise his pickup was full of the coolest old toys I had ever seen: big old metals trucks, pedal cars, train sets, cast iron toys, he had it all. We spent the next 3 hours going through his childhood. It was fun to listen to the stories he told about growing up. He said one time he decided to play farmer in the garden and ended up digging up and ruining a fair number of vegetable plants. His folks were really mad and he said it was the longest summer of his life—working off the damage he had done. Back then, the garden was a staple to every family. His mom would can, jar and pickle the harvest to eat all winter. The vegetable plants were replaced and all ended well. I even think I saw him wipe a tear toward the end of that story. At the end of that day, he ended up walking away with over \$7,000 for his old toys. His last comment to me was, 'Well, I guess it's time to let 'em go.'"

Whether you have 5 lbs. of gold or a single gold tooth, a pickup full of old toys or a single Barbie doll, you should visit the Roadshow this week. It's free, it's fun and it could put some money in your pocket, maybe a lot of money!
