Women today wear a lot of different hats and Celebrate Women is an event to honor and celebrate women of all ages, all careers and all facets of their lives.

This is the seventh year for the event presented by Yankton Daily Press & Dakotan's Her Voice magazine, Yankton Medical Clinic, First Dakota National Bank and your Yankton Hy-Vee. The evening is

filled with entertainment, a wonderful speaker and booths geared to the lifestyles, interests and concerns of women of all ages. Organizers of the event describe the evening as "a 'girls night out' filled with information, fellowship with other women and relaxation."

According to Micki Schievelbein, Advertising Director at the Yankton Daily Press & Dakotan and one of the event organizers, "The theme for this year is 'Survivor, Never Give Up,' presented by South Dakota's very own Holly Hoffman."

"With the wide array of vendors, the great meal and our motivational and entertaining speaker, we know you'll be drawn into the relaxing and fun atmosphere," Schievelbein said.

On this night of fun and relaxation, attendees can visit booths that range from home décor and healthy lifestyles to beauty, health and fashion. Some of the booths will also hold raffles and offer door prizes or gift bags.

This is the perfect place to spend some quality time with your daughter, your mom or a friend. Come join in the fun.
