TREE CITY USA

An increased tree canopy has been a key goal in the City of Yankton for more than a quarter century for environmental reasons and the resulting natural beauty. In fact, Yankton has been awarded the Tree City USA award 27 years in a row for its continued dedication and commitment to increasing our tree planting.

You can assist with adding additional trees to the parks by donating to the Tree Donation Program. Plant a tree in tribute. Celebrate a birth, a wedding,

an anniversary or honor the memory of a loved one. The cost of the donation is \$175.00. For more information please call (605) 668-5231.
