Compost Available At Yankton Transfer Station

Compost made from grass clippings, leaves and other yard material is available to local gardeners at the Yankton transfer station located at 23rd and Kellen Gross Drive.
 The compost is loaded into containers and vehicles by those getting the material. The compost is considered a soil conditioner and the proper use of the compost is the responsibility of those receiving the material. The compost has not been tested for chemical content.
 The transfer station is open 8 a.m.-3:45 p.m. Monday through Saturday. There is no charge for the material.

Annual Citywide Curbside Cleanup Begins

This is a reminder that the annual Yankton Citywide Cleanup is scheduled to begin today (Saturday). Residents on city garbage collection routes may dispose of those materials outlined below at no additional charge. Materials may be dropped off at the Solid Waste Transfer Station located at 23rd and Kellen Gross Drive from April 14 -21 on the hours posted below. Separation of materials is required at the Transfer Station and residents must adhere to the regulations.
 Transfer Station hours are:
 • Saturday, April 14, from 8 a.m.-3:45 p.m.
 • Monday, April 16, to Friday, April 20, from 8 a.m.-7 p.m.
 • Saturday, April 21, from 8 a.m.-3:45 p.m.
 The Transfer Station is not open on Sundays.

City crews will pick up the materials listed below that have been placed at the curb April 16-20. This service is only available for residential customers on the regular city garbage collection routes.

Piles must be placed directly in front of the resident's property, not in front of adjacent neighboring property owned by others.

Piles must be separated by type of material and placed so that they can be easily moved by heavy equipment and in an area away from regular collection cans, light poles, fire hydrants, parked vehicles, and other stationary object. Items to be collected include those not usually accepted on the regular refuse collection routes such as wood, metal, concrete, branches and tree limbs. Old records, magazines, files, glass containers, and clothing may be set out for normal refuse collection. Newspapers, cardboard, plastics, tin and aluminum cans will not be picked up as part of cleanup week but should be set out for curb side recycling or taken to the Yankton County Recycling Center free of charge. No yard waste, tires, refrigerators, air conditioners, or dehumidifiers will be accepted. These items can be taken to the Transfer Station at any time for a fee. Automotive-type batteries will not be accepted, but can be taken to the Battery Exchange on W. Highway 50 or to Yankton Metals at 1405 Bill Baggs Road. Motor oil can be disposed of at the Transfer Station at no charge but must be taken separately by the user.

Property owners that need to have trees trimmed are asked to please do so before the cleanup begins. Trees are to be trimmed 10 feet above the ground over sidewalks and 12 feet from the back of the curb over streets. If done at any other time, there is a charge for removal.

Disposal of paints and thinners is not permitted at the Transfer Station. Any disposal procedures or plans will be advertised when developed. Construction debris such as concrete from sidewalks and driveways, bricks, etc., or rubble from old buildings such as houses, garages, storage sheds, etc., will not be picked up but may be taken to the Transfer Station at any time and a fee will be charged.

Yard waste will not be collected during city wide cleanup. The City of Yankton continues to accept yard waste at the Transfer Station free of charge. Yard waste must be free of cans, paper and tree limbs and placed in bags.

For further information contact the City of Yankton Street Department at 668-5211.
