**Now is your time.**  
***This is your hospital.***

Avera Sacred Heart Hospital is proud to provide a wide variety of services and specialized care just for women. We offer many benefits to women, including:

- **Strong relationships with providers.** We take the time to know our patients well.
- **Holistic, patient-centered care.** You'll receive comprehensive care.
- **Familiarity with women's needs.** We are passionate about serving the women of our community.

**For all the times of your life.**
