Customer Care Representatives Needed For Inbound Calls

"I have been commuting from Hartington, NE and working for First National since 1999. The monthly and quarterly incentives have definitely offset my costs for commuting! Everyone here is helpful and thoughtful and I have made many great friends through the years. The bank offers a great benefit package including health, dental and vision insurance along with an unbeatable 401K package."
Barb Becker

"After retiring from the Air Force, I was looking for a new career. Since I traveled a lot in my past position, I enjoy having the opportunity to talk and help customers all over the United States. In just two years, I have been able to increase my job responsibilities which has provided me with even more variety in my work day. If you enjoy helping and meeting others, this is a great place to work."
Denver Dodge

"The knowledgeable staff at First National are like nothing I have ever experienced before. Much like working with parents and students in my years as a school teacher, educating customers on financial solutions is a very rewarding experience. The opportunities are endless with incentive payouts, career advancements and a variety of work shifts to choose from."
Diana Hicks

"I came over to First National from another call center and I was amazed at the amount of growth First National is experiencing. This really gave me a sense of job security. As a working mother it is great to have an employer I can rely on for benefits and flexibility."
