LEWIS & CLARK *Specialty Hospital*

State-Of-The-Art Surgical Hospital

Lewis & Clark Specialty Hospital is a multi-specialty surgical hospital founded in 2002 by area physicians. The mission of Lewis & Clark Specialty Hospital is to provide quality surgical care in a comfortable and family-oriented environment.

Lewis & Clark Imaging

Is the regions **ONLY** High Field Open MRI specially designed for patient comfort. Our imaging suite services include the Open MRI, 16-Slice CT, High Resolution Ultrasound, Nuclear Medicine and Xray. Accredited by the American College of Radiology in CT, MRI and Ultrasound. ACR assures image quality, qualified personnel and safety practices. Also, accepting BCBS outpatient imaging co-pays for those who have co-pay plans.

Lewis & Clark Medical Building

Our new medical office building will open August of 2012. It was designed for the convenience of our patients and will include Ear, Nose and Throat Associates, Shindler Foot Clinic, Yankton Surgical Associates, PC, Lewis and Clark Urology, Ltd., as well as Lewis & Clark Orthopedic & Sports Therapy, Lewis & Clark Family Medicine, full service Lab, pharmacy and outreach satellite offices.
