

# Home Show Is One-Stop Shopping For All Your Home Needs

## Lewis & Clark Home Builders Home Show Set For April 6-7

The Lewis & Clark Home Builders Association (L&CHBA) will host its 8th annual Home Show from 10 a.m.-5 p.m. Saturday and noon-4 p.m. Sunday at the Kiwanis 4-H Ice Center, 709 Whiting Drive, Yankton. Admission is \$3 per person with children 12 and under admitted free. Those who bring a non-perishable food donation for the Yankton Food Pantry will receive \$1 off admission price.

The Home Show will feature booths with 50-65 local businesses displaying product demonstrations and exhibits including: Home Builders, Design & Construction, Windows & Doors, Gutters & Siding, Lighting & Electrical Supplies, Construction Products, Millwork, Heating & Cooling, Water Conditioning, Sunrooms, Fencing & Decks, Closet & Garage Organization, Fireplaces, Financial Institutions and more.

“We encourage people to

come out and get to know the Lewis & Clark Home Builders,” Lee Rettig said. “This is our eighth home show and our

12th year as an organization, but many people don’t realize there is a local home builder association with a very active

membership. The businesses that are a part of the home builders organization work to a higher standard and are part of

a national umbrella under the National Association of Home Builders. As contractors and construction companies we strive to be more proactive and more businesslike and more a part of the community. We hold ourselves to a higher professional standard.”

Rettig said the L&CHBA members have a built-in networking system that allows for smoother jobs. “We are excited for the show and we know there is demand out there,” he said. “We want people to come to the show and get their needs met. The Home Show is the perfect place to go for one-stop shopping. This is our showcase

of what we have to offer and it is all community driven. People can walk through and see what we have to offer and how we can help. We really hope to see a lot of folks out there this weekend.

This year’s show is sponsored by Yankton Storm Restoration, NatureScaping Designs, LLC, and South Dakota Housing Development Authority. Door prizes will be given away to visitors of the Home Show. Flooring experts help with homes’ finishing touches

When it comes to finding products and services for flooring in Yankton and the surrounding areas, Yankton’s oldest exclusive flooring store has your answers. Since 1958, Stewart Carpet Center has been providing residents and other companies with their carpet and other flooring services. From choosing flooring, measuring the areas and all the way through the installation process, you can be sure that your rooms will be professionally completed to your satisfaction.

Doyle and Dorothy Stewart opened their first store in downtown Yankton in 1958. Then in 1961, they took a big gamble and built a brand new building at our current location at 1803 Broadway, which at that time was on the very outskirts of town. The naysayers told the Stewarts that people wouldn’t drive out of town to buy carpet! Fortunately, those predictions were wrong, and for 55 years Stewart Carpet has built a reputation for offering quality products and personal service.

During that time, there have been some changes in the business. In 1980, Doyle and Dorothy retired and sold the business to their son, Gregg and his wife, Mary Lee. In 1990, because of the popularity of hard surfaces in flooring, the Stewarts expanded their inventory to include other floor coverings such as wood, laminate, vinyl and tile. Times have changed and so has the flooring industry. Stewart Carpet Center has made the necessary adjustments to keep up with the current trends in flooring.

Gregg Stewart has over 40 years of flooring installation and Mary Lee has over 30 years of experience in customer service and product knowledge. Your flooring is in good hands! We offer measuring, estimates and in-home consultations at no charge.

Stop in and see our large selection of in-stock carpet, vinyl, tile, and hardwood flooring or check out our website, [www.stewartcarpetcenter.com](http://www.stewartcarpetcenter.com). We look forward to serving you.
