REGIONAL MANAGER
Department of Social Services
Division of Child Protection Services
Position may be located in Yankton, Vermillion, Lake Andes or Mitchell
Our staff is the foundation of the success of our programs.

Protecting Children...Strengthening Families...Preserving Futures. The Division of Child Protection Services impacts children and families' lives every day by assessing safety, providing intervention and securing stable futures for children. If you are committed to helping children and families, have excellent customer service skills, and are prepared to take on a leadership position within the field of child welfare, this may be an opportunity for you to make a difference in a child's life. This position manages a Regional Office within the Division of Child Protection Services and will oversee the provision of protection services, in-homes services, alternative care, adoption, and licensing in four field offices as well as management of the staff providing those services. Duties include, but are not limited to the following: administers human resources for an assigned region to ensure compliance with federal and state laws, and departmental rules, policies and procedures; administers and maintains a social service field program statewide to ensure efficient and effective operations and develops corrective action to ensure the integrity of the programs and benefits to clients; evaluates compliance and program accuracy/effectiveness statewide and develops tools to enhance services and/or makes modifications to current delivery methods to ensure optimum service delivery and promote maximum efficiency; develops and implements policies and procedures for statewide implementation of multiple activities/programs; represents the Department on behalf of the Department Secretary and/or Division Director to the general public and other public forums, and resolves complaints and responds to inquires from the public, customers and/or constituents; participates in strategic planning meetings and makes recommendations on and monitors performance measures and goals; and participates in the development and administration of a budget for an assigned area to comply with authorized funding. Ability to lead organizational change, develop successful teams and inspire high performance in staff is critical to this position. Knowledge of managerial, administrative, and supervisory principles and practices; and applicable legislation, regulations, programs, policies and procedures in providing direct services to clients would be beneficial. Entry knowledge and abilities may be acquired through any combination of training and/or experience that will enable the incumbent to possess the required knowledge, skills and abilities. A general qualification guideline is a bachelor's degree in social work, psychology, sociology, public administration, or other human service related fields. The State of South Dakota offers a comprehensive benefit package including health and life insurance; generous paid time off; and flexible work schedules. Salary range: \$1,897.60 - \$2,846.41 semi-monthly depending on qualifications. For more information and to apply, please go to <http://bop.sd.gov/workforus> or contact any South Dakota Department of Labor & Regulation Local Office and reference Job Id #40-0568.
