Each playing field is different, so no two games are alike. We've also added more ways to have fun with RC racing. Everyone will enjoy racing a 1/10th scale electric remote controlled car on our two outdoor tracks. Race each other or just practice your driving skills. You'll also have the chance to cool down from all of the fun with a water balloon fight if you choose. If you've yet to experience the Laser Barn, take a look at the facility at www.laserbarn.com. No matter the weather, we've got the fun covered both indoors and outdoors. Relax between or after your games with a slice of pizza and beverage. Bring some extra quarters for arcade games.
