Additional Information:

"Exploring Careers in Health and Human Services" will offer opportunities to investigate and experience a multifaceted career. Do you have a caring heart that seeks a career to help people? Do you know people working in the mental health field but want to understand more about what they do and who they work with? Meet and mingle with them at the Mental Wellness Conference June 6 & 7. Explore the possibilities of such a career by taking this course while earning 1/2 elective high school credits. Tours and lunches while learning - - a great opportunity! www.yamwi.org
