

**PEDIATRIC THERAPY AT
AVERA SACRED HEART HOSPITAL**

Extraordinary Possibilities

At Avera Sacred Heart Hospital we understand that each child is unique, requiring a level of clinical reasoning to develop fun, effective therapy programs that meet the needs of your child and family.

Pediatric Therapies at Avera Sacred Heart Hospital are designed to aide children in developing the skills they need to move through their environment easily and effectively. We are committed to helping your child realize their extraordinary possibilities.

The therapists at Avera Sacred Heart Hospital are committed to excellence and innovation. Our experienced therapy team works together to creatively motivate children to reach their highest potential, often incorporating play with the latest in treatment approaches.
