ANNUAL BOWL-A-THON

SUBMITTED PHOTO

Big Friend Little Friend, Inc recently held their 17th annual Bowlathon thanks to many area business sponsors and individuals. Yankton community youth were invited to play two games at the Yankton Bowl. They were given pop tickets, t-shirts, and over 40 prizes were given away. Winners for the day were Highest score grade 1-3 Darius Stolz, grade 4-5 Donnie Bonneau, Most spares grade 1-3 Chloe Vander Tvig, grade 4-5 Kole Simonsen, Most strikes grade 1-3 Logan Payer, grade 4-5 Zachery Swaney, Most Inspiring grade 1-3 Malachi Sifuentes, grade 4-5 Jaden Rouse. We thank all the youth that participated in this fun day.

SOCCER FIELD SET UP

SUBMITTED PHOTO

You wouldn't believe it with all this snow, but the Yankton Youth Soccer Association (YYSA) has managed to get a handful of games in and most of their fields set-up in-between all the snow and ice storms! It takes quite a few people to set-up soccer fields. We have two U12 and two U14 and above soccer fields at the Lewis & Clark Soccer Complex (HSC Campus) and seven U6 - U10 fields at Memorial Park! Each age level has a different size field and goal. The fields need to be measured, staked, lined with string, then painted with white paint. The nets need to be attached to the goals and the goals moved to their proper locations! A lot more work than one might realize, but thankfully with close to 20% of Yankton youth in U6 - U10 groups and a healthy group of players in U12 and above, we had plenty of wonderful parents, YYSA board volunteers and even youth players come out to help with setup! Now that the weather is warming up this week - let's play soccer!

BY LAUREN HANSON

Executive Director, United Way & Volunteer Services of Greater Yankton

Two local individuals, different by nature yet UNITED by mission. VOLUNTEÉRISM!

Throughout the Greater Yank-ton community, individuals, families and groups volunteer countless hours to a multitude of programs and projects. They mentor our youth, organize food drives, advocate for a cause, deliver nutritious food to our neighbors or serve as Board Members for nonprofit organizations. Volunteers give of their time, talents, and passions. They are invaluable!

April 21-27 is National Volunteer Week. This is a time to celebrate extraordinary people doing extraordinary things through service.

Annually, during National Volunteer Week, we at the United Way & Volunteer Services, alongside the Yankton Volunteer Leaders, host a Community Volunteer Celebration. This is a time to encourage and recognize local volunteers for their efforts. At this year's celebration, Volunteer of the Month recipient, Diana Roth was presented with the 2012 Volunteer of the Year Award.

After retiring from the Yankton Public School District where she worked as a School Cook for over 30 years, Diana started volunteering at the Avera Sacred Heart Hospital, helping at the Information Desk. Diana continues to volunteer at the hospital as an escort where she helps people find their destination within the hospital. She also delivers newspapers, mail, and flowers to patients. On average, Diana contributes over 25 hours a week to volunteering. These hours include time spent at the hospital, multiple volunteer opportunities through the Retired Senior Volunteer Program, quilting for St. John's
