Sacred Heart's Catholic School Raffle A Success

The students of Sacred Heart School want to thank the community of Yankton and their friends and family for their support in raising \$12,675 for their school during the Catholic Schools Raffle, every cent of which will stay in their hands.

Students, staff and supporters of Sacred Heart School joined 86 other schools in Minnesota, South Dakota and North Dakota to add \$1,019,695 to their collective coffers through six weeks of five-dollar ticket sales and donations.

"This program can do so much for our schools," Catholic United President Harald Bormann said. "Not only can we open doors with new technology and tools in the classroom, in some cases we can literally keep doors open. For a group that cares as much about Catholic schools as we do, I can't tell you how rewarding that is for all of us."

Catholic United Financial covers all of the Catholic Schools Raffle's costs, so that every participating school can keep 100 percent of the proceeds from their ticket sales. Catholic United also provides some incentives for the top ticket seller and classroom at each school, and the top schools

among the whole field. Based on tickets sold per student, three schools will receive a \$3,000 technology grant in addition to their raffle earnings, top classes win a pizza party and the top seller will receive a \$100 Visa gift card.

Because they pay no overhead to participate, all \$12675 that Sacred Heart School raised can be used for any need the school faces.

During the March 19 grand prize drawing, winners of almost \$45,000 in prizes, including a new car (or \$25,000) and a \$5,000 vacation package, were drawn from among nearly 200,000 tickets purchased during the six-week raffle. The event was broadcast live on the web and hosted by "WCCO This Morning" anchor Jason DeRusha.

The Annual Catholic Schools Raffle and Catholic United Financial have raised more than \$4 million dollars for Catholic schools in Minnesota and the Dakotas since 2009, and will seek to achieve a third consecutive million-dollar year in 2016. Video, photos and a list of prize winners and results will be available at [www.catholicunitedfinancial.org/raffle/](http://www.catholicunitedfinancial.org/raffle/).

Yankton American Family Insurance Agent Recognized

Eugene Kocer, an American Family Insurance agent in Yankton and Irene, has been recognized for providing outstanding customer experience under the American Star Excellence in Customer Experience Certification Program.

"At American Family, the customer is at the center of all we do, and these agents have proven they are committed to consistently providing the best experience," said Bill Westrate, American Family Insurance's chief operating officer. "The agents who earn the American Star Excellence in Customer Experience Certification are those who have been given the highest marks from their

customers for outstanding service."

The service excellence distinction was determined through an evaluation process conducted under guidelines established through the American Star Excellence in Customer Experience Certification Program. The process consists of a customer satisfaction survey which measures customers' overall experience with their current American Family agent.

Kocer has been an agent for American Family since February 1989. His offices are located at 413 W. 15th St., Yankton, and 300 W. Main St., Irene.

Local Resident Wins Free Fuel from Cenex

ST. PAUL, Minn. — A local resident has received a special thank you for his contribution to the community. Kenny Hirsch of Yankton was selected to receive free fuel from Tanks of Thanks®, a program that rewards people who do good deeds to help make their community just a little bit better.

The Tanks of Thanks program from CHS and Cenex® retailers encourages people to nominate friends, family and neighbors for free fuel as a way to say thank you for doing good in the community. Each month, CHS and Cenex give away more than \$5,000 in free fuel through the Tanks of Thanks program.

Hirsch was nominated for offering assistance to elderly community members. Whether it is shoveling driveways, yard work, or giving elderly neighbors rides to doctors' appointments, Kenny is happy to volunteer his time. Recently, Hirsch was selected to receive a \$50 Tanks of Thanks gift card, which is redeemable at any Cenex location.

"There are people doing good things in every community, and these acts of kindness do not go unnoticed or unappreciated," explains Akhtar Hussain, CHS refined fuels brand marketing manager. "Congratulations to Kenny Hirsch, and thank you for your contribution to the community."

According to Hussain, Tanks of Thanks is a multiyear program, so there is plenty of time to nominate someone for free fuel. "Nominating someone for Tanks of Thanks is easy, and anyone can nominate or be nominated for any act of kindness — big or small."

To make a nomination, visit [TanksOfThanks.com](http://TanksOfThanks.com) and briefly describe why someone deserves a Tank of Thanks.

A Big 'Thank' You To The Yankton Community

BY BILL MARTI  
Bismarck, N.D.

During the past three years, we were blessed to be part of the Yankton community.

I particularly wish the thank the leadership of Calvary Baptist Church in allowing me to serve as their first full-time Business Administrator. I thank God for my loyal and faithful support staff who served me on the support staff there: Mary Holdahl, Mary Williams, Pam Cooke, Jeff Pfeifle, Rick Peterson and Audra Hovorka.

Thanks to those that served me at the County and City offices. Thanks for the safe and secure environment provided by the Yankton Police Department and my friends there: Sgt. Dean Larson, Corp. Brad Parker and Officer Steve Wuebben.

Thanks to Dr. Jeff Johnson, Bradi and the entire staff at Lewis and Clark Family Medicine and team at

Neighborhood Dental. Thanks to Deb Specht and Vision Realty for their assistance in buying and selling our home there. Thank to the folks at Vogt's Cleaners for their fine service and to all that served us in the area restaurants.

Thank you for the experience of the annual Community Dinner held on Thanksgiving eve and all the volunteers and donations that made it happen. Thanks also to all who volunteer for Riverboat Days.

Thanks to Gloria and Mary and all the team at

First Dakota for helping us with our mortgage. Thanks to John and Donita Brandt for including us in your lives and family gatherings.

Thanks to the Stibrafs for including us with their family one Thanksgiving (and allowing their daughter to court and ultimately marry our godgrandson, Ryan Chartier) and Tony and Lana Frederick to join their family on another Thanksgiving.

Thank you for the church planters of Discovery Church allowing me to be part of that experience. Thank you for my great

neighbors and friends in the community, especially Kevin Watt, Jeff Herron, Don Campbell and Tony Frederick.

Lastly I want to thank my dear pastor and mentor, Pastor Jon Cooke, who taught me, was patient with me and above all — always preaches the Gospel without compromise.

As God has called us away from Yankton we will always remember the wonderful blessings while we were there. May God bless you all!
