

Parkston Girls' Golf Team Looks To Continue Dominance

Parkston's Sydney Bormann

BY BEN HEGGE
sports@yankton.net

PARKSTON — It is safe to say that the Parkston Trojans have built a powerhouse in Class A girls' golf. The Trojans have won three straight titles, and have finished first or second in each of the last six years.

The Trojans recent success has created a lot of buzz around the program, and the Parkston community is embracing it.

"With all of the success in the last years, we have heard a lot of positive things in the community, and we have people talking about golf," said head coach Tyler Hockett. "It has also sparked interest in many young kids to get involved in the sport.

Things look promising for the Trojans again this year.

Parkston returns four golfers who placed in the top-40 last year in the Class A state meet including two-time state champion Sydney Bormann. Bormann is coming off a

monster season in which she finished first individually in all nine events including the state tournament.

Junior Sydney Weber, who finished second place overall last year behind Bormann, will be a big part of the Trojans success this season. Trojans also return senior Sierra Stands (33rd overall in 2014) and freshman Jayden Bormann (39th overall in 2014).

"We have a lot of talent returning this season," said Hockett. "Our girls gained a lot of valuable experience and that will be huge for us."

With four golfers with proven success, the Trojans fifth spot is up for grabs.

"Our fifth golfer is just important as our number one," said Hockett. "We will need someone to step up for us."

After roughly three weeks of practice, the Trojans are eager to hit the links, as they open the season April 2 in Yankton at Fox Run.

Coach Hockett and his golfers look to continue re-

Parkston's Sydney Weber

cent success and have set the bar high for the upcoming season.

"Our goal for the season is to have all of our golfers finish in the top 20 individually and bring home our fourth state team title," said Hockett.
