Opt Out

the township's roadways.

"Because of that extended period of time, the roads have become in such poor condition that we need gravel really bad," he said. "There are roads that are down to their clay base or dirt base and there's virtually no gravel on them."

The opt-out is for \$45,000 each year over the next three years. The Utica Township also has another \$45,000 opt-out that is set to expire this year and a permanent opt-out for \$15,000 that was grandfathered in before July 1, 2002.

Cap said the opt-out is somewhat flexible, depending on the need over the next few years.

"The nice thing about this opt-out is, if we should not need the whole \$45,000 each year, we can decide to only take out \$30,000 or \$20,000 or whatever that amount might be," he said. "That will be decided at the beginning of each year."

Cap said it's hoped they won't need to add

an additional opt-out for gravel when the new opt-out expires.

Utica Township residents are allowed to petition to put the opt-out to a vote if they do not want it, but Cap said he hasn't heard of any opposition.

"We haven't received any resistance so far for the proposed opt-out and there was no resistance for the current opt-out that will be expiring at the end of this year just because the residents who travel the gravel roads know what poor shape they're in," he said. "They know that they need some gravel really bad because they know they've deteriorated over the years because there wasn't enough money available from the tax revenues in order for us to do a little bit of gravel every year. Now it's hitting us all of a sudden where we've got to do something and we've got to do it in some larger amounts. Once we get everything covered, it should take us a little ways."

Volunteers Sought For Annual Cleanup

Keep Yankton Beautiful will be hosting its annual Great American Cleanup on Saturday, April 11, and volunteers are needed for this community-wide cleanup.

Families, individuals, businesses, schools and other groups are encouraged to sign up to join in keeping the community clean and beautiful.

Volunteers will meet at the south Memorial Park Picnic Shelter at 8 a.m. for an informational meeting and safety briefing regarding the cleanup and routes. Volunteers will receive complimentary donuts, coffee and bottled water as well as needed supplies for the cleanup.

Keep Yankton Beautiful will be selecting cleanup routes before the actual cleanup. KYB

officials welcome suggestions in regards to cleanup locations, so let them know if there are any areas around town that you feel need special attention. If you are interested in participating as an individual, a family unit or you would like to sign up your workplace or organization and volunteer as a team, contact KYB President Cheryl Sommer at info@keepyanktonbeautiful.org or find Keep Yankton Beautiful on Facebook.

Last year, more than 300 volunteers participated during the cleanup and many others participated in their own cleanups the week prior. Altogether, they picked up almost 4,000 pounds of trash off of Yankton's streets and walkways.

WALL STREET RECAP

NEW YORK (AP) — U.S. stocks eked out a gain Wednesday after deal news in the health care sector gave the market a lift. Gains were offset by a big drop in energy companies prompted by a slump in oil prices.
