SD Observes Severe Weather Awareness Week

Storm Sirens Slated To Be Tested Wednesday Morning

PIERRE — South Dakotans are being encouraged this week to start making preparations for severe weather that may occur this spring and summer. This week, April 20-24, has been designated as Severe Weather Awareness Week in South Dakota. It is the annual week where citizens are urged to start preparing for the eventual severe weather that happens in the summer. "We know severe weather, such as thunderstorms, tornadoes and even floods can occur," said Department of Public Safety Secretary Trevor Jones.

"The key is knowing what to do when it happens. Families especially should talk about what to do in times of severe weather." Several counties throughout the week are holding severe weather preparedness meetings for their spotters and the public. A statewide tornado drill will be held this Wednesday, April 22. The test watch is scheduled for 10 a.m. CDT (9 a.m. MDT) with the warning issued at 10:15 a.m. CDT (9:15 a.m. MDT). A statement announcing that the test is over

will be issued at 10:30 a.m. CDT (9:30 a.m. MDT). In most communities on Wednesday, severe weather sirens will be sounded. People are reminded that it is only a test unless otherwise announced. For more information on how to be ready for severe weather, click onto the Office of Emergency Management's Severe Weather Preparedness Guide at http://dps.sd.gov/emergency_services/emergency_management/documents/2015_Severe_Weather_Guide.pdf/.

County To Focus On Transportation

From P&D Staff Reports

The Yankton County Commission will have a number of agenda items regarding the county's transportation infrastructure to discuss during its meeting today (Tuesday). A Yankton County Transportation Plan draft will be presented before the commission as well as a rail authority resolution. The commission is also set to discuss the proposed Keystone XL Pipeline. The commission meets at 3:30 p.m. in the commission chambers of the Yankton County Government Center.

Volunteers Sought For Focus Group

The public is invited to take part in a Community Health Needs Assessment Focus Group. Two opportunities to participate will occur this week. The first focus group will be held at 7 p.m. today (Tuesday) in the Avera Sacred Heart Hospital Professional Office Pavilion. The second focus group will be held at 10:15 a.m. Wednesday, April 22, in the Pavilion. The Patient Protection and Affordable Care Act (ACA) contains requirements for tax-exempt hospitals to conduct community health needs assessments (CHNAs) every three years. Hospitals then adopt implementation strategies to meet the health needs identified through the assessments. Avera Sacred Heart is requesting public input to help shape its CHNA and implementation plan. The focus groups will be held in Conference Room No. 1 and are expected to last 75-90 minutes. Maximizing Excellence will serve as the facilitator of the meetings.

SF Mayor To Speak At 1 Million Cups

Sioux Falls Mayor Mike Huether, a Yankton native, will be the featured speaker at Wednesday's 1 Million Cups meeting, set for 9 a.m. at the Avera Professional Pavilion. Huether will be pitching Yankton as if it were a business, including the opportunities and the struggles. There will be an additional Q&A session at 10 a.m.

'Day Of Prayer' Breakfast Slated May 7

The public is invited to attend Yankton's annual National Day of Prayer Breakfast, Thursday, May 7. Details for the event will be announced in the next few weeks. The National Day of Prayer morning program location will be announced shortly. A Noon National Day of Prayer Ceremony will be conducted at the Yankton County Government Center (north side), 321 West 3rd Street. The observance will be from noon-12:45 p.m. Come when you can; leave when you need to. In case of inclement weather, the noon event will be moved into the Yankton City Gym, at 416 Walnut Street.

WALL STREET RECAP

By The Associated Press
