ence," Culver said. "Just the speed of the game is a little different from JV to varsity, he will just have to make those adjustments. "Tyler is coming in with a lot of confidence this season and looking for good things from him this season."

Senior Dexter Mehlhaf (Sr., 5-10, 185) looks to step into the fullback

role, while D'Andre Fore returns at running back. "D'Andre has great vision, he isn't a big kid by any means. He is one of those running backs that it comes naturally to him. I would like to think that you will be hearing his name quite a bit as the season progresses and we keying to him to run the ball effectively," Culver said. "Dexter will at least be the starter to begin the season as the starting fullback, until we get a little bit of depth within our entire squad." The Tanagers hope to be able to kick-start the running game with the returning talent. "Our philosophy is that try to get the running game going here first and foremost," he said. Husby (50 tackles, 1 sack), Mehlhaf (23 tackles, 2 pass breakups) and Will Mart (Jr., 6-3, 215; 44 tackles, 3 TFL.) all return in the linebacker core. Mart, who started on the defense line, will help give the Tanagers a linebacking corps to be feared. "Will contributed very heavily towards that later half of the season at the defensive line position," he said. "He will definitely be a

good inside linebacker for us when it is all said and done." The Tanagers also return defensive tackle Blaine Hubert (Sr., 6-4, 325; 12 tackles). Culver believes that the current seniors on the team will be able to rise to the challenge this year. "We feel very strong about the seniors that are on the team this season. What I have really liked from them so far is their leadership abilities," he said. "We've gotten enough sprinkling of juniors, sophomores and maybe even a freshman that could pop in there and give us the depth we need." After being ousted from the post-season by Dakota Valley a year ago, the Tanagers would not mind another shot at the regional foe.

"We would love to play against Dakota Valley this season. We won't play them during the regular season, but they are in the our region, so there is a chance that we could meet in the playoffs," Culver said. "Dakota Valley's quarterback Matt Lupkes was one of the main reason why they were able to beat us." The Tanagers have a challenging schedule. After opening with Lennox, Vermillion faces South Sioux City (Neb.), St. Thomas More, Canton, Dell Rapids, Harrisburg, Madison and West Central. "We will have a very competitive schedule facing us," Culver said. "We'll need to be ready every week." Royal McGregor contributed to this article.
