

Sacred Heart Parish & St. Benedict Parish

Congratulate the City of Yankton

on their 150th Birthday

The original Sacred Heart Church was built in 1876 on the corner of Fifth & Capitol Streets. It was also the pro-cathedral of Bishop Martin until 1889. The construction bid for this church was a mere \$1,682.

In 1905, the start of the 2nd church began with the completion in 1908. Cost of the new construction with the major fixtures was \$30,000.

It has been a privilege to be with you from the beginning.
