State Fair Offers Free Gate Admission To State Flood Victims

PIERRE — Gov. Dennis Daugaard has announced that South Dakota flood victims and North Dakotans whose 2011 State Fair was cancelled will receive free entry to the South Dakota State Fair every day during this year's event in Huron.

South Dakota residents and their children will receive free gate admission by showing a valid flood identification card from one of the several communities that distributed them earlier this year.

All North Dakota families will receive free admission to the South Dakota State Fair with official forms of North Dakota identification. The North Dakota State Fair at Minot was called off last month when major flooding made it impossible.

"Flooding has impacted thousands of people across the region this year, and many families have not been able to enjoy a summer festival or vacation," Gov. Daugaard said. "We hope all of our neighbors in North

Dakota and those who live in flood areas of South Dakota take advantage of the free gate admission to visit the South Dakota State Fair."

Grandstand entertainment this year includes the Red Wilk Construction CBR Bull Bash, Don Williams with Sammy Kershaw, Ronnie Dunn with 32 Below, Cheap Trick with Little River Band, Kory and the Fireflies, and the Dakota State Fair Speedway Stock Car Races.

The South Dakota State Fair also offers six stages with free entertainment.

Headlining the NorthWestern Energy Freedom Stage is Love and Theft on Saturday, Sept. 4.

Other entertainment includes Reptile Adventures, Sherwin Linton and the Cotton Kings, Elisabeth Hunstad, and Thank A Farmer Ag Magic Show, just to name a few. Take a walk through the Arts and Ed, Horticulture or Women's Buildings to see a variety

of exhibits.

"This summer we've been seeing neighbors helping neighbors fight flooding," said South Dakota Secretary of Agriculture Walt Bones. "It makes me proud to be a South Dakotan. If we can offer a small token of appreciation to those who have helped their neighbors, that's what the State Fair is all about."

The 2011 South Dakota State Fair runs from Thursday, Sept. 1-Monday, Sept. 5. Preview day is Wednesday, Aug. 31. The State Fair theme this year is Country Pride Statewide.

For more information on State Fair events, contact the Fair office at 800-529-0900 or visit www.sdstatefair.com. You can also find the State Fair on Facebook <http://www.facebook.com/pages/South-Dakota-State-Fair/162380810516> and Twitter (@SDStateFair <http://twitter.com/#!/sdstatefair>).

Corps Changes Release Schedule For Gavins Pt.

From P&D Staff Reports

The release of 150,000 cubic feet per second (cfs) at Gavins Point Dam near Yankton will be maintained an additional three days, the U.S. Army Corps of Engineers announced Monday.

The release was scheduled to run through Aug. 15 under the Corps' flood strategy, said Jody Farhat, chief of the Missouri River basin water management office. However, the 150,000 cfs will now be kept in place until Aug. 18, she said.

The higher release will be maintained to ensure the Corps meets its target storage levels at the end of the month, she added.

State Distributing Masks For Flood Cleanup

PIERRE — Gov. Dennis Daugaard says the state Department of Health is distributing 50,000 special respirator masks to help homeowners with cleanup in 40 counties where flood disaster declarations are in place.

"We received these masks in South Dakota from the federal stockpile during the H1N1 flu response," the Governor said. "We know many homeowners in flood areas are now dealing with mold cleanup, and these masks can help protect them during that activity."

The N-95 respirator masks are recommended during mold cleanup to limit exposure to mold. High levels of exposure to some molds can cause illness in susceptible people. Typical symptoms include nasal and sinus congestion, eye irritation, dry or hacking cough, nose or throat irritation, and skin rashes or irritation.

To get masks, homeowners can contact the Department of Health Community Health Nursing office in their county (http://doh.sd.gov/LocalOffices/CHS.aspx) or their county emergency manager. Both will have a supply of the masks and can indicate other distribution points that may be available in the county.

While the supply lasts, the state will provide one box of 20 masks to each flooded household. Instruction sheets for putting on and removing the flat-fold N-95 masks will be provided with each box.

Those involved in cleanup activities should generally plan on two masks daily per person.

The masks are intended for mold cleanup; dust masks are sufficient if mold is not present.

The state is also supplying some additional masks to the Red Cross for use in the cleanup kits it will distribute in flood areas.

The masks will be available in the following counties with flood disaster declarations in place: Aurora, Beadle, Brookings, Brown, Brule, Buffalo, Butte, Charles Mix, Clark, Clay, Codington, Day, Deuel, Edmunds, Faulk, Grant, Gregory, Hamlin, Hand, Hanson, Hughes, Hutchinson, Hyde, Jackson, Jerauld, Kingsbury, Lake, Lyman, Marshall, Miner, Moody, Perkins, Potter, Roberts, Sanborn, Stanley, Sully, Spink, Union, and Yankton.

For more information about flood cleanup, see the Department of Health website at http://doh.sd.gov/Flood.
