VEYANCE TECHNOLOGIES

PRODUCTION JOBS

Veyance Technologies, Inc., a world leader in industrial hose production, is actively seeking to hire entry-level production workers. If interested, you may register by logging on to: www.applytoveyance.com. Applications will also be taken at the Nebraska Workforce Development Center, 105 East Norfolk Avenue, Suite 100, Norfolk, Nebraska 68701.

The selection process consists of various phases that applicants must participate in and successfully complete in order to be considered for employment. These phases will require an investment of approximately 10 hours of the applicant's time and will be conducted at various times to accommodate schedules.

Please note that successful completion of all hiring phases does not guarantee a job offer, nor does the applicant have to accept a job offer if it is made.

VEYANCE CULTURE

- Veyance is looking for a diverse group of people who are able to work in a self-managed team environment and:
- Demonstrate awareness and concern for the safety of self and others.
 - Maintain consistent, on-time attendance.
 - Meet and exceed quality standards in their work, continuously seeking ways to improve the process and product
 - Identify and solve production team problems.
 - Participate actively in team meetings and activities. Be a team player.
 - Perform team administrative tasks.
 - Be willing and able to perform a variety of tasks and work effectively, participate in continuous learning and training.
 - Demonstrate initiative by going beyond requirements and actively pursuing goals.
 - Work 12 hour rotating shifts and weekends.
 - Operate hose manufacturing machinery and equipment.

Veyance Technologies, Inc. is an Affirmative Action and Equal Opportunity Employer and offers an excellent wage and benefit package.
