

FALLEN TREE DAMAGES HOUSE

Friday night's storm in Yankton brought powerful winds that caused some property damage. This tree came down on this rental house in the 700 block of Douglas Friday night, causing extensive damage to the rear of the house. According to the Yankton Fire Department, at least six people were displaced as the home was declared uninhabitable due to structure damage. At least two occupants in the rear of the home narrowly escaped injury when the kitchen ceiling fell in around them. The Red Cross was called in to assist the family. Dad. Hero. Friend.

You were 4 years old and seeing the ocean for the first time. One big wave rolled in and knocked you off your feet and into the surf. Fearing the worst, your dad scooped you up from the water and wiped away the tears. You spent some time walking the beach from the safety of his shoulders until you were brave enough to face the waves again, together.

And while you have idolized your dad throughout life, you'll want to celebrate times like these after his death. A meaningful funeral allows you to grieve and say goodbye with family and friends.

We know the value of creating a meaningful funeral. Call us for more information.
