Production Manager

This manager is responsible for quality, on-time printing and assembly of web products for a group of small Southwestern newspapers that also have a commercial printing customer base. This person also is responsible for the group's setup, maintenance and oversight of OSHA compliance guides for workplace safety, and ensure we meet these standards.

Your people and administrative skills are as important as your technical skills. You will be a working pressman as needed and oversee our 4-person press and prepress staff. Strong computer and technical skills are required along with knowing how to work with spreadsheets to track revenues, usage and waste. Your responsibilities will include developing and overseeing revenue, expense and capital budgets for your department. Two years of college preferred; however, reasonable experience in print operations, management duties and print bids can be substituted.

You will enjoy a competitive salary and bonus incentive plan, a benefits package which includes health care and vision, and sick and vacation leave. Please apply by sending your resume to Joyce Cruce, Human Resources Director, P. O. Box 1689, Clovis, NM 88102-1689 or email to jcruce@cnjonline.com.

The Buffalo Bulletin, 128-year-old, independently owned, award-winning, weekly, mountain, community newspaper nestled in the Big Horn Mountains of Wyoming, seeks a motivated, managing editor who is ready to take a good paper to the next level and usher in the future of community journalism, visual story telling and new media.

The successful candidate will be a great writing coach and a capable team leader. This is no desk job. You will lead your department of three enthusiastic writers by example, taking on the toughest stories and teaching others to do the same. You will have a beat and be expected to write and edit, coach and mentor, and direct the editorial department. In return, the editorial department will be yours with minimal interference by management or ownership. You must be proficient in the English language, AP Style, and be an experienced copy editor. You will be financially responsible for departmental budgets and goals. You must also see the value of covering a small, growing and active community with great photography and compelling journalism in a visually pleasing manner.

If you believe that all people have a story to tell, want to make a difference in your community, and feel that the work environment should be a positive place to spend your time, then we are looking for you.

Minimum Requirements: Seven years of newspaper experience with increasing responsibilities.

We offer a competitive salary complete with quality and incentive bonuses, a generous benefit package including health insurance stipend, retirement package, paid time off, and a health club membership. The Buffalo Bulletin belongs to a federation of community weekly and daily publications with 22 titles located in Colorado, Montana, Wyoming, Idaho, Washington, South Dakota, and Nebraska. There is ample opportunity for advancement within our group of newspapers.

Please submit cover letter, resume, writing samples and salary requirements to Jerry Pye jerry@buffalobulletin.com and Robb Hicks at robb@buffalobulletin.com
