Fitzgerald said the hardest part of the day was getting used to each other on the court.

"It took us a while in the beginning, but once we got there the teamwork was there. We just have to work better as a team on blocking, talking and moving together." Although the Gazelles strug-

gled, Hora said there were some high points of the game.

There were a lot of positives," she said. "(Thieman) was amazing tonight. She had a lot of great serves — she was one of the main factors that kept us in the game. We're mainly hoping to build off of it by getting those younger girls more experience. They were amaz-

Bucks From Page 8 Bucks senior James Hisek had

some huge carries late in the fourth quarter to prolong Yankton's final drive and keep the Governor offense off of the field as time wound down. Those three Pierre turnovers

turned out to be the deciding factor, as the Govs held large advantages over the Bucks in first downs (20-12), rushing yards (242-131), and total yards (318-207). Pierre even out-sacked Yankton 5-1, held onto the ball for almost seven minutes longer and had nearly 20 fewer penalty yards, but Yankton was able to make the Governors pay dearly on those three first half

Quarterbacks Rucker and Grey each finished with 76 yards pass-

ing, while Hisek led the Bucks with 64 yards on the ground off of nine carries. Schroeder added 40 yards on eight carries for Yankton. Austin Wagner led the Pierre ground attack with 18 rushes for 107 yards while Grey added 74

yards on 14 carries. Hisek led the Bucks defensively with seven tackles. Kellen Soulek, C.J. Warren, and J. J. Hejna added six tackles apiece. Both teams are in action next

Friday as Pierre travels to Aberdeen Central to take on the Eagles while Yankton heads to Huron to face the 0-1 Tigers at 7 p.m. in another ESD matchup.
