MNRR Sets Weekend Programming

Missouri National Recreational River, southeast South Dakota's and northeast Nebraska's only National Park, will present the following ranger programs this weekend:

- Friday Aug 16  
— Lake Yankton, East boat ramp, 1 p.m.: "Canoeing 101" — Before you go out to explore the Wild and Scenic River, learn the basics of canoe handling and safety in this clinic led by National Park Rangers and South Dakota state park naturalists. For ages 12 to adult. Pre-registration required; contact Lewis & Clark State Recreation Area, 605-668-2985.
- Friday Aug 16-Sunday Aug 18  
— Yankton Riverside Park, Territorial Capitol: Mobile Ranger Station. — The National Park Service's very first Mobile Ranger Station is under construction right here at Missouri National Recreational River. Stop in during River-boat Days for river information, ice water, and kids' activities.
- Saturday, Aug 17  
— St. Helena, Neb., boat ramp, 8 a.m.: Missouri River Institute Paddle Event — A National Park Ranger leads and narrates this paddle trip from St. Helena to Brookey Bottom. Participants must provide their own canoe or kayak and required equipment. Shuttle service will be provided. For more information and registration, visit [www.mnrrwatertrail.org/](http://www.mnrrwatertrail.org/).
- Sunday, Aug 18  
— Lewis & Clark Visitor Center at Gavins Point Dam, 11 a.m.-1 p.m.: Ranger's Choice program — Let the ranger surprise you with a special exhibit or kids' activity.

Road Construction Slated Near Tripp

MITCHELL — Pavement repair work will begin on Highway 37 from one-quarter mile south of Spruce Street in Mitchell to two miles north of Tripp on Monday, Aug. 19, according to the South Dakota Department of Transportation.

Traffic on the 29 mile project will be controlled with flaggers and a pilot car during working hours and possibly during the overnight hours if the concrete has not reached sufficient strength.

Motorists can expect short delays and may want to consider an alternate route.

Work is expected to be completed by Oct. 1.

The prime contractor is Diamond Surface, Inc. of Rogers, Minn.

For complete road construction information, visit [www.safetravelusa.com/sd](http://www.safetravelusa.com/sd) or dial 511.

Vietnam Veterans Reunion Set

OMAHA, Neb — The 29th reunion of Nebraska Vietnam Veterans is planned for Aug. 22-25 at the Marriott Hotel, 10220 Regency Circle, Omaha, Neb.

This get-together has become one of the premier reunions for Vietnam vets bringing brother veterans and their families together from various parts of Nebraska as well as neighboring states including Iowa, South Dakota and Colorado. The gathering provides fellow vets the opportunity to rekindle friendships from past Vietnam reunions, plus the opportunity to meet new friends who are first timers to the event.

Although it originated as a reunion for soldiers who served in the Vietnam War, it is open to any veteran, their spouses, family members and guests. One of the points that the reunion organizers are emphasizing at this time, is that the new vets that are coming back from Afghanistan, Iraq, and Iran, are also invited and urged to attend.

Noted for its unique hospitality and welcoming atmosphere, the Nebraska reunion presents many different programs, workshops, seminars, and entertainment.

An impressive lineup of speakers and panels are scheduled for vets to enjoy, learn from and reminisce with.

Representatives of the VA Medical Center of Omaha and the Veterans Service Office will also be on hand to answer questions regarding the various VA benefits and help available for all veterans and their families. Speakers will also address chronic health issues including Agent Orange. A full schedule is available on the website [www.vetsreunion.com/](http://www.vetsreunion.com/).

Approximately 500 Vietnam veterans from Nebraska and surrounding states were in attendance last year at Columbus, Neb. This year's turnout is expected to top that number.

Each registration includes daily programs, speakers, workshops, Thursday barbecue, Friday evening meal, Sunday breakfast plus three evenings of entertainment plus a commemorative T-shirt.

For further information and/or to print out a registration, a web site has been set up: [www.vetsreunion.com/](http://www.vetsreunion.com/). Additional information and registration forms may also be acquired by contacting Rod and Jean Ulfers, e-mail: [LPnumb10@cox.net](mailto:LPnumb10@cox.net) or 402-250-3042; or Duke and Linda Humphrey at [dukeewh@cox.net](mailto:dukeewh@cox.net) or [lindaldh1@cox.net](mailto:lindaldh1@cox.net).

USD Physician Assistant Studies Program Granted Continued Accreditation

VERMILLION — The Accreditation Review Commission on Education for the Physician Assistant (ARC-PA) has granted Accreditation-Continued to the University of South Dakota Physician Assistant Program sponsored by the University of South Dakota. Accreditation-Continued is an accreditation status granted when a currently accredited program is in compliance with the ARC-PA Standards.

Accreditation remains in effect until the program closes or withdraws from the accreditation process or until accreditation is withdrawn for failure to comply with the Standards. The approximate date for the next validation re-

view of the program by the ARC-PA will be March 2020. The review date is contingent upon continued compliance with the Standards and ARC-PA policy.

"We are extremely proud of the students, faculty, and staff of the Physician Assistant Studies Program for their commitment to excellence in health care for the people of South Dakota," said Michael Lawler, Ph.D., M.S.W., dean of USD's School of Health Sciences.

ARC-PA, the organization that defines standards for PA education and evaluates PA educational programs within the territorial United States, noted the program's "commitment and dedication to quality PA education" in

its accreditation notification letter.

This news arrives on the heels of a strong year for USD's Physician Assistant program, which was approved for a class size expansion (from 20 students to 25) by the South Dakota Board of Regents in 2012.

"The outlook for PA's in South Dakota is positive," said Wade Nilson, M.S., B.S., director of USD's Physician Assistant Program. "As a nation and state we are faced with a primary care shortage. PA-physician teams are ideally suited to provide comprehensive, patient-centered, coordinated, accessible and ongoing care."

ON THIS DATE

75 YEARS AGO

**Tuesday, August 16, 1938**

- North and south were united today, agriculturally, as dixieland farmers and planters from three southern states exchanged greetings with their northern neighbors, swapped farming ideas and gleaned first hand information on South Dakota crop practices in continuation of an eight-day goodwill tour through the middlewest and northwest sections.
- T. J. Markey of Edgemont won first prize in the spring rattlesnake killing contest sponsored by the South Dakota game and fish department. Today Markey submitted 183 rattles and will receive a \$10 cash award.

50 YEARS AGO

**Friday, August 16, 1963**

- Erwin "Wally" Steucke, who took over his duties August 1 as aquarium director at the Gavins Point national fish hatchery, says Yankton "is the friendliest town I've ever been in." This sentiment is not particularly new, having been voiced by many other new resi-

dents and visitors, but local people always like to hear it.

- The South Dakota board of regents and president of the University of South Dakota have approved formation of an Eye Bank to be located at Sacred Heart hospital, Yankton, in affiliation with the University medical school.

25 YEARS AGO

**Tuesday, August 16, 1988**

- A former Yankton man remains in serious condition and his daughter in fair condition in a Sioux Falls hospital following a Sunday automobile accident in which his wife, two daughters and a niece died. Darrel Kortan, 25, of Sioux Falls was driving his family and niece north on Interstate 29 a half mile south of the Davis exit about 11:09 p.m. Sunday when his Ford Bronco ran into the rear of a stolen garbage truck that was either moving very slowly or parked along the road. The Kortan family was returning from Yankton after helping to make funeral arrangements for Kelly's maternal grandfather, Walter E. Mueller of rural Utica, who died Saturday.

BOARD OF TRADE

CHICAGO (AP) — Grains futures were higher Thursday on the Chicago Board of Trade.
