First-Year Students Complete Summer Bridge Program At USD

VERMILLION — The second University of South Dakota Summer Bridge Program concluded last week with a Summer Bridge Closing Banquet on Friday, July 26, at the Muenster University Center Ballroom.

Thirty-one first-year students received a head start on their college careers thanks to this unique program, which began July 1 as a four-week intensive program to assist first-year students in their adjustment to academic and campus life at USD. The program was established for incoming students to strengthen their leadership and math skills. They also had an opportunity to network with USD faculty and their new classmates as well as complete USD's Speech 101 course.

"The Summer Bridge Program is a great opportunity for first-year students to get individual help in courses that will provide a foundation for their academic careers," noted Christina Keller, associate dean of the College of Arts & Sciences at USD. "A program like this gives first-year students the confidence to achieve their academic goals because of the hands on academic advising and study plans they receive. It also gives students a chance to meet new people and become more familiar with campus resources before classes start this fall."

Additional Summer Bridge Program activities included a trip to Omaha's Henry Doorly Zoo, paintballing at the local arena and tasting the variety of unique food available in the Vermillion community. Move-in Day for all new USD students is Friday, Aug. 23.

For more information about USD, visit <http://admissions.usd.edu> or email admissions@usd.edu.

ON THIS DATE

75 YEARS AGO

Wednesday, August 17, 1938

- A good slice of Yankton's population beat Old Sol out of bed this morning - and for a very good reason. The circus was in town. Rolling in on schedule, at about 5 a.m., over the Milwaukee road, the several trainloads of brightly colored cars and cages and equipment of the Al G. Barnes and Sells-Floto combined circus, now augmented by features from the Ringling Brothers-Barnum & Bailey shows, proved an irresistible attraction, for old as well as Young.

50 YEARS AGO

Saturday, August 17, 1963

- Menno wore the District 6 amateur baseball crown today, and advanced into the State Amateur tournament with a 14 to 5 win over Wagner here (Scotland) last night.
- Farmers, ranchers, and poultrymen, experiencing losses from predatory animals, can obtain help from the U. S. Fish and Wildlife Service. Mark D. Worcester, Mitchell, district agent for the states of South Dakota and Nebraska, reports that heavy losses of livestock, poultry, and game birds indicate a majority of farmers are not aware of this service.

25 YEARS AGO

Wednesday, August 17, 1988

- Drought has shrunk July runoff into the Missouri River above Sioux City, Iowa, to the lowest level since 1934, a U.S. Army Corps of Engineers official said.
- Participants in the soccer camp, being held this week at Memorial Park under the direction of Gary Cooper, who is from England, go through a dribbling drill Tuesday morning. The youths are developing their skills in the morning sessions while coaches, referees and interested adults are learning about the finer points of the rules and coaching in evening sessions.

Thank You

We would like to thank the wonderful people for their kindness and thoughtfulness shown to Wayne E. Pibal Jr. during his recent illness and untimely death.

Thank you for the many cards, letters, calls, pictures and visits to him while he was in the hospital. Thank you to pastor Rod for his words of sympathy.

We extend our gratefulness to Kevin, Tami and their staff at the Opsah-Kostel Funeral Home who made this hard situation more bearable. Again, thanks to our family, friends and neighbors for their good deeds shown to us by sending flowers, food, monetary gifts, rides and your donations to the Parents of Debaters in Wayne's memory.

We thank the Elks for their hospitality and the nice lunch prepared and served by the Ladies of the Elks. A very special thanks to Wayne's Observer readers for their thoughts and caring messages and for being loyal readers of his column.

Wayne will always be remembered for his sayings, "You don't always get what you want," "Buck up, Buttercup," "What were you thinking?" and, "Whoever said life was fair?"

Wayne enjoyed life and did things "his way." our thoughts go out to all of you. You were there when we needed you. There are too many to thank individually so, "thanks" to all of you.
