It's L&C Week At Territorial Capitol

This week, Tuesday Aug. 19, through Friday Aug. 22, commemorating the 210th anniversary of the Lewis & Clark Expedition, Missouri National Recreational River will present a special Lewis & Clark exhibit at the Dakota Territorial Capitol replica in Yankton's Riverside Park.

National Park Rangers will display replicas of equipment used by the expedition and explain their use and how they contributed to the success of the mission. Kids can discover what was necessary for the expedition by helping with Capt. Lewis' shopping lists.

This will be the last National Park Service program of the season at the territorial capitol.

Sealing Projects Commence This Week

- West Street — West 8th Street to Water Tower
- West Street — West 12th Street to North End

Do not blow grass onto the street before the streets are sealed or permit underground irrigation systems to run water onto the streets while the No Parking signs are up. In the event of rain, the process may be postponed.

Aid

increase of \$1,663,151 for the program in the 2016 budget. That amount includes covering a projected 16 percent growth in recipients of the scholarship for the next budget year.

Nearly all of that growth results from changes the Legislature made during the 2010 session that now take effect.

The broader eligibility affects two groups of students:

Those who pursued career and technical education courses rather than two years of world or foreign language. This is expected to add 120 students to the Opportunity program; and

Those who score 28 or higher on ACT exams, regardless of coursework. This is expected to add 51 students.

With those changes, along with 2 percent of general growth otherwise, an additional total of 194 students is forecast to participate in the Opportunity program in fall 2015.
