# **USD To Kick Off New Academic Year**

VERMILLION — The University of South Dakota will kick off another academic year with USD Welcome Week 2014, which begins Friday, Aug. 22 with Move in Day.

Move in Day begins at 7 a.m. at the DakotaDome parking lot where students and their families will check-in; receive their information packets, residence hall keys and instructions on driving to the residence halls. This handy "drive-through" system was implemented to eliminate long lines, waiting and potential traffic congestion on campus. Volunteers are also on site to assist students moving into the residence halls.

Residence halls will be more than 100 percent capacity at USD, according to Kimberly Grieve, vice president and dean of students. Grieve says USD Housing will use newly renovated space in residence halls, as needed.

"It's a good problem to have," said Grieve. "This means that our residence halls are full, on campus housing is prepared and we're looking forward to providing new and
