We Want to Hear Your Opinions

By Onward Yankton Committee

This week we are breaking structure a little bit and having an open discussion about the final six ideas of Onward Yankton. We want to hear what the community thinks about the ideas and which ones they want to see implemented. We would just like to clarify that we are not a part of the Onward Yankton team and have no vote in the final decision.

Next week we will hear from Brienne Maner about the acceleration program in Downtown Sioux Falls.

Thank you to everyone who continues to support 1MCYKN. Please help us to continue to spread the word and get the people who should be in the room here. Also if you know anyone who we should be contacting to present let us know!

We think this causal, free, weekly meeting will be a spark for our business community and I hope you'll show up to support it when you find the time. We meet at the Pavilion on Wednesday (today) at Avera Sacred Heart at 9 a.m. sharp. You'll be done by 10 a.m., and you're welcome to leave early if you have to.

Boys & Girls Club Raffle Event

On Wednesday, August 12, the Boys & Girls Club of Yankton will give away a 2015 Equinox car! Raffle tickets are on sale now and can be purchased until the drawing event on Wednesday at 6 p.m. A second prize of an iPad will also be drawn at the event. Proceeds from this raffle directly support programming for hundreds of youth in Yankton. Ticket sales are still short of the goal so each ticket purchased will directly benefit youth in the community and give the buyer a chance at a great prize.

The event on August 12 will also include a groundbreaking ceremony for the new Boys & Girls Club building. The event will begin at 5:30 p.m. and is free to the public. Food, music, games and a bouncy house will make this a fun family event.

Yankton's Traditional Boys & Girls Club and the Academy draw around 160 members per day, and staff hope to see an increase in these numbers when the new building is complete. The current Traditional unit only serves 6th through 12th graders and memberships cost \$25 a year. The Academy is a licensed, fee based program and serves junior kindergarten through 5th grade. When the new building is complete, it will be classified as a Traditional building and serve 1st through 12th graders. Members pay \$25 a year.

The new Traditional Club includes space for 1st through 5th graders and a space for the 6th through 12th graders. The building will include a gym, social space, game zones, homework rooms, art rooms and a cafeteria. If you are interested in hearing more about the project, buying a raffle ticket or getting involved in any way, please contact the Club at 605-668-9710.

receive a scholarship.

The community is invited to not only help the local hospital with the summer blood supply, but also help her reach her goal.

Contact Baugh at 605-661-1524 to schedule an appointment.
