Tereshinski Field Turf Project Receives Twins Grant

The Bob Tereshinski Field Turf Project recently learned that it was the recipient of a 2015 Twins Fields for Kids grant through the Minnesota Twins Community Fund. The grant, totaling \$5,000 will go towards the field turf project that is named for long-time Lancers baseball coach and Yankton baseball supporter, Bob Tereshinski.

The Twins Community Fund's Twins Fields for Kids program provides financial support to improve baseball and/or softball facilities for youth in the Upper Midwest and Southwest Florida. The program makes matching grants to nonprofit organizations and local government units that operate baseball and/or softball programs. The Twins Community Fund and its grant programs are supported in part by Target, US Bank, Treasure Island and Delta. Since its inception in 1999, the program has granted more than \$3.2 million to improve nearly 650 Upper Midwest and Southwest Florida ball fields.

In October of 2013, Mount Marty College and the Yankton Baseball Association began work to seek approval and funding for the Riverside Baseball Stadium Turf Project. The MMC Lancers baseball team plays their entire home schedule at the newly renovated stadium in addition to all the games played by the Yankton Baseball Association - those games together total over 200 games. The need for permanent turf is a major piece of the puzzle.

Las Vegas Standout Signs With MMC Softball

Gabriela Morgan of Las Vegas, Nevada, will attend Mount Marty College and play softball for the Lancers, the institution announced on Friday.

Morgan

The daughter of Daniel Morgan of Las Vegas, she plans to major in Psychology at MMC. She will receive an academic Achievement Scholarship in addition to her softball award.
