If last season was any indication, the Mount Marty College men's basketball team is headed in the right direction. The Lancers reached the 10-win plateau for the first time since the 2005-06 team recorded 16 victories. Not only that, last year's squad hosted — and won — its first ever post-season game at the Great Plains Athletic Conference (GPAC).

How have the Lancers progressed?

This season, the Mount Marty men have raced out to a 5-3 start and a 2-2 record in the Great Plains Athletic Conference (GPAC).

## Area Student-Athletes Named To All-NSIC List

BURNSVILLE, Minn. — Three student-athletes with local ties were among those honored by the Northern Sun Intercollegiate Conference as members of their All-Academic teams in various fall sports.

In women's cross country, Augustana junior Molly Kokesh (Scotland) and Northern State sophomore Makayla Perryman (Dakota Dunes) were honored. Wayne State sophomore Brock DeVries (Jefferson) was selected in football.

To be eligible, a student-athlete must be a member of the varsity traveling team and have a cumulative grade-point average of 3.2 or better. The student-athlete must have reached sophomore athletic and academic standing at his or her institution, and must have completed at least one full academic year at that institution.

## DWU Football Coach Resigns

MITCHELL (AP) — Dakota Wesleyan University is looking for a new head football coach after Brad Pole resigned from the position.

DWU Athletic Director Curt Hart announced Pole's resignation Thursday. Hart says a new committee will be formed to start a search for Pole's replacement. Defensive coordinator Ross Cimprl will be the acting head coach in the interim.

Pole's resignation comes after the Tiger's 6-4 season this year. The team started the season 5-0 but slid to 1-4 in the second half of the season. Two of those losses came by a combined total of seven points.

Pole coached at Dakota Wesleyan for seven seasons. In a statement, Hart thanked Pole for his time at the university and wished him luck in the future.

## All SD Amateur Baseball Teams To Use Wooden Bats

MADISON (AP) — All amateur baseball teams in South Dakota will use wooden bats beginning next year.

KJAM radio reports that state commissioners approved the move during their fall meeting last month. The decision came after a survey of team managers around the state showed the majority favored going to wooden bats.

Class A amateur teams have already been playing exclusively with wooden bats. Class B teams have had the option of using aluminum bats, class and most do.

Many baseball leagues around the country have been going to wooden bats in recent years, for reasons that include tradition and safety.

## NSDU Team Bus Collides With Car, No One Hurt

FARGO, N.D. (AP) — North Dakota State women's basketball coach Carolyn DeHoff says no one was hurt when the team's bus collided with a vehicle in Des Moines, Iowa.

DeHoff tells The Fargo Forum newspaper that the right front tire on the bus struck a car carrying two women Wednesday night near the team's hotel. DeHoff says she called 911 and emergency officials responded within minutes. She says everyone involved is fine.

The Bison played Drake on Thursday night.
