

All I Want For Christmas...

What would you like from Santa? Here's what some of our local youngsters have in mind?

Dear Santa,
I have been a really good boy this year and I would like some things for Christmas. Heres some things I would really want. I would like a new bike, call of duty for PS3, a red PS3 controller, a football and another phiten. That's really all I want this year but you can get me more if you want to but that's the main things I want.
from
Paul
And I have one more thing to say GET ME AN XBOX!!!
Please make sure you see that.

Dear Santa,
Happy Holidays Santa! I have been thinking about my Christmas list all year long! What I would really like for Christmas is a 3DS. I have had my eye on this for a while. I would also like some blue sparkly boots that I spotted at Justice. I would really like to ask for a puppy or a kitty but I know my dad would never allow that! I already have an American Doll but could really use some outfits for her or a bed. I think that is it. I will be watching for you by my fireplace but I promise not to light it!
Love,
Jillian
