Tom Schlimgen spent 20 minutes talking about his league, his team and his season during Wednesday's Yankton Quarterback Club luncheon.

But the Mount Marty College women's basketball coach could have just as easily spent the entire time talking about the Great Plains Athletic Conference. And nobody would have blamed him.

The NAIA league, in short, is that good. 'Dominant' doesn't even begin to describe it. Nor does 'powerhouse.' Or even 'loaded.'

There's not a word to really do justice to the 11-member conference, which was scattered across the first regular season coaches top-25 poll that came out on Tuesday.

## SDSU Juniors Earn Capital One Honors

BROOKINGS — South Dakota State University football players Jason Schneider and Zach Zenger were named Wednesday to the Capital One Academic All-America First Team for their efforts both on the field and in the classroom.

A junior wide receiver from Andover, Minn., Schneider has compiled a 3.98 grade-point average while majoring in pharmacy. Schneider has led the Missouri Valley Football Conference with 72 receptions (5.5 per game) and 1,007 receiving yards (77.5 yards per game), while adding 10 touchdowns.

Zenger, a second-team Academic All-American in 2012, moved up to the first team this season with a 3.85 GPA while majoring in biology/pre-medicine. A junior from Egan, Minn., Zenger has racked up a Football Championship Subdivision-best 1,944 yards rushing so far this season, along with 24 total touchdowns (22 rushing, 2 receiving).

South Dakota State and Michigan State were the only schools to have two players named to the Capital One Academic All-America First Team, which is selected by the College Sports Information Directors of America (CoSIDA).

## Area Bowlers Achieve High Marks

Three area bowlers, including two by members of the S.D. Bowling Hall of Fame, achieved milestones in recent competitions.

On Dec. 1 in Sioux Falls, Patrick King of Yankton rolled a 300 game in the Sport Bowl Joe Bowler Singles Tournament. It was the 11th sanctioned perfect game for King, a 1999 Hall of Fame inductee.

On Oct. 30, two area bowlers had big nights at Yankton Bowl. Tim Dooley of Vermillion rolled an 834 series (278-269-287), the second-highest ever at Yankton Bowl (Patrick Smith, 835).

Mike Kruse, Sr., of Vermillion rolled a 300 game as part of a 764 series (300-247-217). It was the 19th career 300 game for Kruse, a 2005 Hall of Fame inductee.

## USD Teams Second In Summit Indoor Track & Field Preseason Poll

VERMILLION — South Dakota's men's and women's indoor track and field teams both placed second while receiving first-place votes in the Summit League preseason polls released on Tuesday. North Dakota State fin-

## NAIA Rankings Matter, Especially In Loaded GPAC

Northwestern (2), Concordia (7), Midland (10), Morningside (12), Briar Arif (15) and Hastings (22). Oh, and Dakota Wesleyan and Dordt were receiving votes.

So let's summarize: Eight of the 10 eligible GPAC teams are ranked among the top 37 teams nationally. Keep in mind, Nebraska Wesleyan is an NCAA Division III member.

Think your league is tough? Try competing in the GPAC. One stat that stands out among most every other. The GPAC owns 11 of the 13 national championships since the league was formed.

The only other school to win titles in that span is Indiana Wesleyan (2007 and 2013).

Last season, the GPAC sent four teams to the national tournament, two of those — Morningside and Northwestern — advanced to the semifinals.

The season before that, five GPAC teams qualified. Three of those made the semifinals.

Yes, it's still early into this season, but if certain things play out, you could make a strong case for six GPAC teams to earn bids to nationals. It's not likely to happen, but it would be hard to ignore the league's depth.

The refreshing thing, for me at least, in regards to national tournament bids is that at-large selections are chosen based on the latest rankings. What that means is that once automatic qualifiers are discounted, the selection committee simply runs down the rankings and picks teams.

So that essentially means teams like Mount Marty can say 'rankings matter' and actually mean it. You want to see your school name start showing up in the 'Receiving Votes' category.
