Here's what some of our local youngsters have in mind. . .

Dear Santa,
My name is Keegan, you should know that I live in Avon. For this Christmas I would like a new bike. I would also like my cousin to come here, too. Thank you in advance for both of these things. Have a Merry Christmas. Sincerely, Keegan McAdaragh 6th Grade

Dear Santa,
Hi, my name is Rachel. I live in a very small town, but I've been really good. I hope I'm on your nice list. Here are some things I would like to have. First of all, I don't want anything to girly. I like guns and being outside on the four-wheelers. I also love horses. So for Christmas this year I would like a new muddy-girl camo 22 or a tan 50 cal. Also I would love a four-wheeler with a gun rack. Another thing is I would like some kind of pet, whether it be a horse, dog, cat, or rabbit. Your Friend, Rachel DeJong 6th Grade

Dear Santa,
I have been really good this year, so I want many things this year. One question is how long does it take you to fly around the world? Are you sure there is only one Santa? For Christmas I want Alice to get way better, because she is an amazing neighbor. I also want Call of Duty Black Ops 3. It is really awesome. Next, I want a football hand warmer. I hope you have a great Christmas. So please give me these things, I really want them. Your Friend, Riley Rucktaeschel 6th Grade

Dear Santa,
This year on my Christmas list I have a few things. Here is what they are. I want an Xbox 360, Case blanket, Case sweater, I pod, retractor, drone, ear pods for my ipod, and legos. These are all the things I would like to have for Christmas. Your Friend, Joe Namminga 6th Grade

Dear Santa,
How are you doing? Are you ready for Christmas? I am really ready. So you are probably wondering what I want for Christmas! I'll tell you! Okay, one of the things that I want is a mini ipad 4. It doesn't really matter what color, but the color I want is rose gold. On the front I want it to be white. The next thing is kinda big and non-realistic, but I want a balance board. It looks so cool! I know these are kinda asking for a lot, but they are something that I would like. Hey, just though you want to know what I wanted! Sorry if they are kinda outrageous, but I hope I get one of those things! Sincerely, Makayla 6th Grade

Dear Santa,
How is it in the North Pole? It is great here in America! For Christmas I would like Farming Simulator 15 for X-box 360. I also would like a Jason Witten Cowboys jersey. I hope you have a very good Christmas and a Happy New Year! It will be the best Christmas ever! Sincerely, Lincoln 6th Grade
