Ring In The New Year Safely With AAA's Tipsy Tow

ST. LOUIS — AAA South Dakota is offering its free Tipsy Tow service during the New Year's Eve holiday from now through 4 a.m. Jan. 2. The community service, which over the last two decades has taken thousands of drinking drivers off the roads, is available to AAA members and non-members alike, at no charge.

"Naturally, it's always a good idea to plan ahead for a sober ride or to use a designated driver if you're out partying," said Marilyn Buskohl, spokeswoman for AAA South Dakota. "But sometimes our plans change and we find ourselves unfit to drive with no alternative. That's when AAA's Tipsy Tow can save the day."

Those celebrating New Year's Eve who then feel unsafe behind the wheel can access Tipsy Tow by calling 1-800-AAA-HELP (222-4357) and asking for Tipsy Tow. AAA will come get the caller, up to one more person and the vehicle and take them home within a 15-mile radius from point of pick-up. The auto club's free service is unique in that it transports both the driver and the vehicle.

"Drinking drivers frequently don't plan for other ways to get home because they are concerned about retrieving their vehicle the next day," said Buskohl. "They cite taxi costs and inconvenience as reasons they don't use alternate transportation. But taking a chance behind the wheel after drinking can produce deadly results. The statistics bear this out."

In 2014 in South Dakota, 583 traffic collisions were alcohol-related, resulting 47 deaths. It only takes one or two drinks to slow physical and mental skills that affect judgment, vision, steering, braking and reaction time."

Tipsy Tow is available free in Sioux Falls, Rapid City, Mitchell and Yankton.

• Always plan ahead to designate a non-drinking

driver before any party or celebration begins.

• At social events, designate non-drinking drivers who can get everyone home safely.

• Never serve alcohol to those under age 21. It's illegal and dangerous.

• Never ride as a passenger in a car driven by someone who has been drinking alcohol — even one drink.

• Call Tipsy Tow, a friend or a family member for a ride home if you've been drinking.

• Keep the cab/Tipsy Tow telephone number in your cell phone and wallet so you can easily call for a ride home.

• As a party host, offer non-alcoholic drink alternatives such as AAA mocktails, zero-pooof cocktails. Visit www.AAA.com/mocktail for fun, tasty, original mocktail recipes and the ABCs of Party-Giving.

• Give a gift to guests who volunteer to be designated drivers; provide overnight accommodations to guests who've been drinking.

• Take the car keys away from friends and relatives who have had too much to drink.

• If you encounter an impaired driver on the road, keep a safe distance and ask a passenger to call 9-1-1 (or pull over to a safe location to make the call yourself).

• Remember that prescription, over-the-counter medications and illegal drugs also can impair your ability to drive safely and can often sharply increase the impairing effects of alcohol.

Visit PreventDUIAAA.com for impaired driving facts, transportation alternatives and expert advice. AAA encourages visitors to Take the Pledge to drive drug and alcohol-free.

Although Tipsy Tow is offered by AAA South Dakota and other AAA clubs, it is not a nationwide program. If traveling outside South Dakota, check with the local AAA club for availability.

Do the neighborly thing and shovel your sidewalks. For more information contact the City of Yankton at 605-668-5251.
