Deadline Nears For Giant Vision Competition

PIERRE — Potential applicants are reminded that the deadline for entries to the 2010 Governor's Giant Vision Business (and Student Business) Competition are due Feb. 15. Visit www.southdakotagiantvision.com for more information or to submit entries.

The Governor's Giant Vision event is hosted by the South Dakota Chamber of Commerce and Industry and offers significant prize money. The winner will be awarded \$20,000. The second place award is \$5,000, third place is \$4,000, fourth place is \$3,000, and fifth place is \$2,000. The remaining qualifiers will receive \$500 each to help with the expenses of participation.

The Governor's 2010 Initiative has brought a sharp focus on advancing the economy and retaining the state's young people. This competition is offered to show new entrepreneurs that South Dakota is serious about helping business, creating opportunities and proving to young people that they can have any future they desire right here at home.

In addition to cash awards, the competition will bring people with new business ideas together with judges and other invited guests who have business development experience and several who have a capacity to make venture investments.

Sponsors for the 2010 are Governor Mike Rounds, Avera McKennan, Sioux Falls; Black Hills Corp., Rapid City; Christiansen Land & Cattle Ltd., Kimball; Dacotah Banks, Aberdeen; Daktronics, Inc., Brookings; Home Federal Bank, Sioux Falls; South Dakota EPSCoR, Brookings; Toshiba America, Mitchell; US Bank, Sioux Falls, Aberdeen and Rapid City; and Wheeler Manufacturing, Lemmon.

Those entering the Governor's Giant Vision competition will submit a business plan through the website www.southdakotagiantvision.com. The competition is open to all South Dakotans. The judges give heavier weight to business opportunities that would advance South Dakota employment or the South Dakota business base. The competition is open to entrepreneurs with new ideas that they believe would benefit from the review and analysis process of the competition. Existing companies may only have been in business three years or less AND with annual revenue not to exceed \$250,000.

Previous winners may not apply again for the same idea. The focus of this program is on the business plan or business model and is not limited to technology entries.

The South Dakota Chamber of Commerce and Industry is also hosting the fourth annual Governor's Giant Vision Student Competition. South Dakota college, university and technical school traditional students are encouraged to apply. The winner will be awarded \$3,500, with a second place prize being \$3,000, third place \$2,500 and fourth place \$2,000, plus an EPSCoR match of \$2,000. The remaining qualifiers will receive \$500 each and be eligible for an EPSCoR match of \$2,000, if they provide \$2,000 in matching funds.

The student competition is underwritten by Gov. Mike Rounds and Citibank of Sioux Falls.

The final competition and awards event will be held Tuesday, April 20, at the Ramkota in Sioux Falls.
