Winter Driving Skills Class Set For Monday

The "Winter Driving Skills for Beginner Drivers" class will be held on Monday, Feb. 20, running from 12:30-3:30 p.m. at Yankton Community Library meeting room.
A driver license is not required for this classroom instruction. Preregistration is required ASAP.
Call Diane at the South Dakota Safety Council at 1-800-952-5539.

BID District Board Of Directors To Meet Mon.

The Board of Directors for the newly formed BID District for the City of Yankton is meeting at 8 a.m. Monday, Feb. 20, in the northeast meeting room on the second floor of City Hall, located at 416 Walnut Street.
For more information, contact the city manager's office at 668-5221.

Crohn's & Colitis Support Group To Meet Tues.

There will be a Crohn's and Colitis support group meeting at 6:45 p.m. Tuesday, Feb. 21, at the Yankton Hy-Vee (21st and Broadway) Health Market.
Dietitian Richel Pinos will give attendees a tour.
This meeting is for patients with Crohn's or Colitis and their family and friends. For information, call Kathy Ryken at 665-8667 or Dave Brown at 665-7199 (evenings).

Living River Group To Hold Meeting Tuesday

VERMILLION — The Living River Group will have its February meeting at 7 p.m. Tuesday, Feb. 21, at the W.H. Over Museum.
Professor James Heisinger will present information regarding the TransCanada XL pipeline, its positive and negative impacts on U.S. energy policy, gas prices and jobs.
The public is invited.

Center For MindBodySpirit To Offer Classes

The Avera Center for MindBodySpirit will be offering "Mindfulness and Meditation: A Practice Opportunity" on successive Tuesday evenings from 6:30-8:30 p.m. beginning Feb. 21 in the Yoga Room on the fourth floor of the Benedictine Center.
The capacity to be mindful is a wonderful human ability but most of us have forgotten how to be truly mindful. One definition of mindfulness is the ability to bring nonjudgmental awareness to the present moment. Most of us have trouble staying in the present moment because our mind is constantly preoccupied with the future or the past. Also, much of our thinking is critical and judgmental. These states of mind can generate much stress and anxiety in our lives. Yet, the cultivation of mindfulness allows the opportunity for us to be aware of stressful thoughts and not be swept away by them.
If you are curious about becoming more mindful the Avera Center for MindbodySpirit will be offering a series of four classes taught by Michael R. McVay MD. Participants will learn about mindfulness and how to engage it through a meditative practice. You will come to understand how our thinking generates much of our stress and experience how mindful awareness can help us disengage from these thoughts and help us relax.
Classes will be held on successive Tuesday evenings: Feb. 21 and 28, March 6 and 13.
To register for this program or for more information, call the Avera Center for MindBodySpirit at 605-668-8715.

Webster

From Page 1A

other schools.
"We knew that was probably different from the other schools, so we thought that might give us a little bit of an edge," she said.
As for the prize money, school officials aren't sure yet how it will be spent.
"We're going to spend that in a way that all of our kids have the chance to enjoy whatever the prize is," the principal said.
Ryken said the school first heard of the competition last year when it was contacted by the Boys & Girls Club of Yankton, which was attempting to implement the Recycle-Bowl as part of its Academy program.
"We wanted more specifics because we get money back for the recycling we do, and we wanted to make sure it was going to a good cause," she said. "(Program Director) Mike Johnson from the Boys & Girls Club explained how the process would work, and we agreed to go ahead and do it."
From Oct. 17-Nov. 12, Webster Elementary and the other four elementary campuses included in the Boys & Girls Club's Academy program recycled as much as possible utilizing recycle stations provided by Keep Yankton Beautiful.
"The kids at Webster were very excited to participate in this program and even more excited to hear that they won," Johnson said in a news release. "Through par-

ticipating in this competition, our youth at all five Academy sites now have a better understanding of what it means to go green and how they can have a positive effect on their community through recycling."
According to KAB, the total amount of school-only recyclables recovered nationally during the competition was 2,088,000 pounds, preventing the release of nearly 990 metric tons of carbon dioxide equivalent, which is equal to the annual emissions from 154 passenger cars, 191,998 gallons of gas or nearly 7.4 million gallons of water.
"Keep America Beautiful is thrilled with the success of Recycle-Bowl's inaugural year and our congratulations go out not just to Webster Elementary, but to all participating schools for their work in showing how small changes can make a huge impact," KAB president and CEO Matt McKenna said in a news release.
"My hat goes off to all the kids and staff here at Webster," Ryken added. "I think it's just another great accomplishment that we can say that we've done."

Tickets: \$30 In Advance • \$35 At The Door
Tickets available at CorTrust Bank and Valley Ag, both in Gayville

Winners Drawn In Lottery Hollywood Trip Giveaway

PIERRE — Looking for a way to render someone speechless? Tell them they've just won a trip to Hollywood, California. That was the reaction of two South Dakota Lottery players when they got the news that they'd won Hollywood trips through the Lottery's Wheel of Fortune® scratch ticket game.
Special "ENTRY" tickets submitted by Eric Peterka of Yankton and Melissa Fischer Olson of Sioux Falls were randomly drawn from among 6,186 entries during a Feb. 15 drawing at the Pierre Lottery office. Both Peterka and Olson won a trip for up to four people to Hollywood April 24-28. Included in the prize is a chance at a \$1 million spin-off to be held as part of a special non-broadcast lottery players-only Wheel of Fortune game with Pat Sajak and Vanna White to take place during the trip.
Peterka, who doesn't normally buy a lot of scratch tickets, was stunned to hear he was a trip winner.
"I'm just in shock. I must have been feeling lucky the day I picked up that ticket. I've never been to California before so to win a trip there is great," Peterka said.
While Olson frequently gives scratch tick-

ets to family and friends as gifts, she purchased herself some Wheel of Fortune tickets after noticing her mother had bought some. Her "ENTRY" ticket almost didn't make it in to the drawing.
"I almost threw it away. I enter a lot of things but I never win so at first, I wasn't going to send it in. But I'm so glad I did!" said Olson.
Each winner can take up to three people with them to Hollywood. Peterka is still deciding who to take but Olson has at least two slots filled.
"I'll take my husband, of course, and my mom. And I've got four kids so we'll probably have to draw straws to see which one gets to go," she said.
Players whose "ENTRY" tickets weren't drawn for one of the two trips still have a chance to be a winner this fall. A second drawing will be held in August to choose one name to be included in a multi-state drawing for a cash prize of up to \$1 million. Any entries received for the trip giveaway will also be included in that drawing, as well as any "ENTRY" tickets received between now and 5 p.m. Aug. 17.

To enter an "ENTRY" ticket, the person must complete the claimant information on the back of the ticket and sign it then turn it in to any South Dakota Lottery office. Offices are located at 107B New York Street in Rapid City, 3824 S. Western Avenue in Sioux Falls, and 711 E. Wells Avenue in Pierre. Valid tickets may also be mailed to South Dakota Lottery, P.O. Box 7107, Pierre, SD, 57501. The finalist selection drawing for the cash giveaway is set for August 23, 2012 in Pierre. The cash prize drawing itself is scheduled for Sept. 17, 2012 at the offices of MDI Entertainment LLC in Alpharetta, Georgia and will include entries from all participating lotteries.
Although Peterka and Olson are still recovering from the shock of their trip wins, each offered some advice for other players waiting to win cash and prizes.
"You need to just go for it!" Peterka said. Olson added, "It can happen to you. You never know."
For more information on the Wheel of Fortune game, visit the Lottery website at www.lottery.sd.gov.

DAILY RECORD

POUND COUNT
Several animals are available at the Yankton Animal Shelter. For more information call the Yankton Police Department's Animal Control Officer, from 8 a.m.-4 p.m. Monday-Friday at 661-9494, or 668-5210. A \$5 fee is required to adopt an animal.
DAILY RECORD POLICY
The Press & Dakotan publishes police and sheriff reports as a public service to its readers. It is important to remember that an arrest should not imply guilt and that every person is presumed innocent until proven otherwise. When juveniles are released from jail, it is into the care of a parent or guardian.
It is the policy of the Press & Dakotan to publish all names made available in the police and court reports. There are no exceptions.
ARRESTS
• Zachary Sealey, 18, Yankton, was arrested Wednesday on a warrant for reckless driving, eluding law enforcement, violation of conditional bond, and consumption or possession of an alcoholic beverage in a vehicle.
• Patrick Highstrom, 45, Yankton, was arrested Wednesday on a parole hold.
ACCIDENTS
• A report was received at 5:13 p.m. Wednesday that two vehicles collided in a parking lot in the 2000 block of Green St.
• A report was received at 6:08 p.m. Wednesday that a cable box in the 600 block of Broadway had been struck by an unknown vehicle in the last week.
• A sheriff's office report was re-

ceived at 4:06 p.m. Wednesday that a 2002 Jeep Liberty driven by a Yankton woman collided with a 2008 Jeep Wrangler driven by a Gayville man. Estimated value of the damage to the vehicles was \$7,000 and \$6,400, respectively.
INCIDENTS
• A report was received at 3:38 p.m. Wednesday that a man's cell phone had been stolen.
• A report was received at 4:09 p.m. Wednesday that a Lincoln Elementary student that had been found with a bag containing marijuana residue earlier in the day had made statements about bringing a gun to the school. The police department was working to employ some intervention resources for the 9-year-old and his family.
• A report was received at 6:04 p.m. Wednesday of a possibly stolen vehicle. The complainant said it was being repaired at a shop, but she has not been able to make contact with the owner.
• A report was received at 10:29 p.m. Wednesday that someone had been in an apartment in the 2900 block of Broadway. The woman said one light was turned on, while another had been turned off. Nothing was missing, and there was no forced entry. She was advised to speak with her landlord.
• A report was received at 10:59 a.m. Thursday that a man's cell phone had been stolen.
CRIME STOPPERS
Anyone wishing to report anonymous information on unlawful activity in the City of Yankton or in Yankton County is encouraged to contact the Crime Stoppers tip line at 665-4440.

ON THIS DATE

75 YEARS AGO
Wednesday, February 17, 1937
• Members of the board of county commissioners, State's Atty. John E. Walsh and Frank W. Smith, county highway superintendent, returned last evening from Mitchell where they were conferring with state headquarters of the WPA, concerning transportation of WPA workers to projects and report that the matter has been ironed out in a manner that will be satisfactory to all concerned.
• Members of the local Methodist church will join tonight in a nation wide fellowship dinner. In announcing the movement the local committee says, "As the earth turns into evening from Maine to California, Methodists of America will gather in such a breaking of bread in the name of Christ as has never been known before in the history of the Christian church."
50 YEARS AGO
Saturday, February 17, 1962
• Representatives from eight counties decided to form a new subdistrict of the South Dakota Water Conservancy District in the lower James river area at a meeting here Friday. In attendance at the meeting were nearly 100 representatives and in-

terested persons from Yankton, Hutchinson, Aurora, Davison, Hanson, Jerauld, Sanborn, Buffalo, Brule and Miner counties.
•South Dakota's paddlefish record, established last July, has been shattered again by a 90-pound heavyweight. The new state record paddlefish, snagged by Carol Mehan of Gettysburg, halfway between Oahe dam and first bridge downstream. The 90-pounder was 5-feet, 6-inches long, had a 38 1/2-inch girth and a 14 1/2-inch paddle.

25 YEARS AGO

Tuesday, February 17, 1987
• Dakota may conjure up images of America's Heartland to the average consumer, but the name means money to two of the nation's major businesses. Within the last year, both Dodge Trucks and Miller Brewing Company have introduced products bearing the North and South Dakota's last name.
• The Yankton Medical Clinic recently acquired a chemistry analyzer called the Paramax. Yankton's clinic and Sioux Valley Hospital in Sioux Falls are the only two medical facilities in the state to currently own the Paramax, a computer operated analyzer capable of performing some 30 procedures from one small blood sample.
