Beringer Powers Aberdeen Past YHS

Yankton's Lindsey Hale, center, passes the ball away as Aberdeen Central's Leah Beringer, left, and Ally Steckler, right, close in on defense during Saturday's game at the Golden Eagles Arena.

ABERDEEN — Yankton gave Leah Beringer an inch, and she took every bit of it.

Beringer poured in 31 points from all over the floor to lead Aberdeen Central to a 61-47 Eastern South Dakota Conference girls' basketball victory over the Gazelles Saturday afternoon at Golden Eagles Arena.

"She knocked down a lot of shots," said Yankton head coach Doug Pesicka. "Granted, she had a lot of open looks early. We just didn't find her, didn't get to her. But you still have to knock them down, and she did."

Beringer was 4-for-5 from long range and had 24 points by halftime. She finished with 31 points on 13-of-18 shooting and five treys on the afternoon.

"She got off to a great start," said Central head coach Dawn Seiler. "She got the benefit of some really good passes. I thought the ball moved well today, and we found her in the corner a couple times. She's one of those streaky shooters that once she gets a little bit of confidence, she's someone who can really fill it up."

The long ball wasn't the only thing working for Beringer. The senior needed less than five seconds to put the Golden Eagles on the board off a breakaway on the opening tip. She also picked up layups and driving buckets in the lane, including one over Yankton's 6-foot-5 freshman center Josey Saylor, inserted into the line-up in an effort to disrupt life in the paint for Central.

"We swung the ball really well," said Beringer. "We moved it fast, and the defense didn't have time to catch up. All the teammates knew where everyone was at. We just played together tonight."

Beringer's opening deluge opened up a 21-point lead in the second quarter for the Golden Eagles, who led 36-17 at halftime.

Yankton, however, refused to go quietly. After Central spread the gap to 23 points with back-to-back Mia Bergan buckets to open the third quarter, the Gazelles went on the offensive.

Yankton ripped off a 12-1 run to cut the deficit nearly in half, but that would be as close as the Gazelles would get. Ally Steckler and Beringer combined for a 6-2 run to regain

control before Beringer buried her fifth trey of the night just before the quarter break.

"I think that effort is just the result of the kids we put in just playing hard," said Pesicka. "We did some good things in the second half, in terms of making the game a little more competitive."

The Gazelles, who also erased a late deficit in the first meeting between the two teams before falling by two at home, outscored the Golden Eagles in both the third and fourth quarters, but could not overcome the early leadouts.

"We did exactly what we were supposed to do in the first half," said Seiler of her team's defense. "There weren't very many lanes to penetrate. I thought we did a good job hedging and helping, and then the second half we just got flat. We were standing around and turning our heads instead of moving our feet."

While Beringer did not score in the fourth quarter, the defensive attention she drew opened up scoring opportunities for other players. Brianna Kusler scored eight of her 15 on the day in the fourth stanza.

"You spend a lot of time preparing for 'Kus,' and when you have Beringer in this case go crazy on you, it makes them pretty tough to guard," said Pesicka. "Aberdeen just executed very well, and they defended us well in the first half."

Kusler and Beringer were the lone players to reach double figures for the Golden Eagles. Bergan added seven points and Steckler 3, while Madysyn Waage chipped in the

final two points and added seven assists in a starting role. Beringer and Kusler also combined for 14 of Central's 30 rebounds.

Yankton got 13 points apiece from Whitlee Larson and Morgan Tessier. Kami Cornemann came off the bench for eight for the Gazelles.

Aberdeen Central heads to Huron on Tuesday for its final road game of the season and returns home the following Tuesday to close out the regular season against Brandon Valley.

"It's a good win for our kids," said Seiler. "I'm happy for them, because we're coming down the stretch here, and we want to build a little momentum. We have the opportunity to do that, we just have to keep playing hard."

In sub-varsity action, Yankton won the JV game 56-28 behind 11 points from Brianna Benjamin and nine points apiece from Lauren Graves and Lindsey Hale.

The Gazelles won the sophomore game 47-23 behind 11 points from Ellie Fedders and nine points from Linze Cowman. Every player scored for Yankton.
