Dakota Smile Mobile To Return March 16

BY LAUREN HANSON
Executive Director Of United Way

& Volunteer Services

Thanks to our partnership with Delta Dental, the Dakota Smile Mobile will be returning to Yankton to provide FREE dental care to local children ages 0-21.

If you happen to drive down Mulberry Street, past Beadle Elementary School the week of March 16, you will see a large bus sitting in front. You might be thinking, what is happening in that large blue bus? Well, there are two fully-equipped dental offices with chairs located inside. Those chairs are occupied by local youth receiving dental care from a dentist and an assistant.

Almost every day, the Smile Mobile dental staff sees a child who is in pain because of untreated dental disease. These are children who, for a

variety of reasons, have been unable to access adequate dental care.

And while to many, "it's just a cavity," in reality dental disease is painful, affects a child's overall health and

often leads to poor school performance. In fact, dental decay is the single most common chronic disease of early childhood.

Delta Dental supports the Smile Mobile with paid staff

Last year, the Smile Mobile returned to Yankton for the ninth consecutive year. During their stay, they provided preventive and restorative dental care valued at \$18,299.00 to 49 area youth. The cost to bring this program to our community is only \$2,500.00 - another example of how your contribution to United Way & Volunteer Services provides critical services.

Please don't miss the op-

portunity to receive excellent comprehensive oral health care. The Dakota Smile Mobile will be in Yankton March 16-20. Preregistration is required to participate. Registration forms can be obtained at the Contact Center, County Health Nurse, Clothing Closet, Head Start, and United Way & Volunteer Services.

Please return completed registration forms to United Way & Volunteer Services' at 610 W 23rd Street, Suite 11, Yankton, SD. by Friday, March 4. Call 605-665-6766 for more information or visit www.yanktonunitedway.org.

and volunteer dental profes-

sionals who provide care on

the unit. The mobile dental

bus is on the road approxi-

mately 40 weeks each year,

serving an estimated 1,300

children annually in South

Dakota. Since its inception,

Delta Dental's mobile dental program has provided more

than \$10 million in dental care

to more than 22,000 children

in 76 different South Dakota

PURIC NOTICES PURIC

We've got South Dakota covered.

PUBLIC NOTICES A+ GOOD GOVERNMENT

Newspapers matter. Newspapers play an important role in our democracy. Newspapers inform citizens about the work of government and about the impact on our lives of decisions made by government officials. From city hall to the state capitol and beyond, a free and fair press matters.

Likewise, government notices published in the local newspaper are important to keeping the public informed about the business of government. Local government meeting minutes, proposed local government budgets, zoning ordinances and election notices provide a foundation of openness, transparency and accountability. Informed citizens are key to a healthy, strong democracy and public notices help fulfill that role.

- Dennis Daugaard, South Dakota Governor

House Bill 1167 would harm your right to know by eliminating the publication of government public notices in your local newspaper.

Tell your legislators in Pierre to vote "no" on HB 1167.
