Have You Read A Good Book Lately?

BY REV. KATHRYN DEHRING

Spiritual Life/Health Pastor First Assembly of God

When was the last time you read a great book that had a lasting impact on your life? What was on, or do you remember the best seller list last year? How about five years ago? We forget because its effect was only temporary.

Whatever the topic was for the day, it seemed relevant at the time, and yet, now forgotten.

Through a life time, we will see many fads, personalities, and societal mores come and go.

What if, there was a book that would have an impact so profound it would change your life for ever and not just a season?

That it would, "be living and active, sharper than any double-edged sword, it penetrates ever to dividing soul and spirit, joint and marrow: it judges the thoughts and attitudes of the heart" Heb 4:12

And be the world's best seller. Five to 6 billion copies have been sold

REFLECTIONS

around the world. The Bible has been translated into 2,400 languages, and more underway. Unlike the changing standards of the day, God wants us to know there is something permanent we can count on. A direction for life that does not change. His Word. His direction.

Not only has it been around along time. It will be around forever.

God said this, "Heaven and earth shall pass away but my Word will never pass away." Matthew 24:35

The Bible is approximately 4,000 years old, at the earliest writings and was given verbally before written down by the ancient scribes.

Through banning, burning, scoffing and ridicule, the Bible not only survives, but it thrives.

This book has the ability and the capacity for those who believe it to change lives. It

tells the way of salvation to reconnect to God through His son Jesus, and in living that life, how to deal with any problem life may throw at you.

2 Tim 3:16 says "All Scripture is God breathed and is useful for teaching, rebuking, correcting and training in righteousness"

God has created us, and wrote the Bible. It is our manual for life. If I buy a new appliance or vehicle and do not know how to run a certain aspect of it, I go to the manual.

It has a central theme which does not contradict itself as some many think, but cover to cover further explains the plan of restoring man's relationship with God, and must be understood as He intended it to be.

If it has been a while since you have dusted off the Bible on your shelf, I encourage you to do so. Open it and begin to read the words of Jesus in the Book of John.

So next time you are looking for a good read, sit back with your coffee, and gaze into the best seller of all time. You'll be glad you did. Could give you answers and change your life. Might change your eternity.

Kid's Crossing: The Wind And The Strength

Lord God Almighty; and Praise God from Whom All Blessings Flow. The Main Street Living Choir will provide the hymns. The program is interpreted for the hearing impaired and part of The Main Street Living morning worship telecast at 10 a.m. on KDLT-NBC Sioux Falls. Additional information may be found on the web site, www.mainstreetliving.com.

One Hour Experience Being Held On Sundays

You are invited to join the One Hour Experience held at 6:30 p.m. Sundays on the University of South Dakota campus MUC building.

The Sunday evening Experience at One Hour is comprised of two primary elements: powerful worship and a life-changing message. Worship at ONE HOUR is led by a talented live band in a style that is consistent with today's culture. In addition, each week our campus, as a part of the LifeChurch.tv network, receives a dynamic and relevant teaching message from Life Church's senior pastor, Craig Groeschel, via video broadcast. The worship is intense and the teaching is challenging but the environment will be relaxed and casual. So relax, grab a bag of popcorn or a cup of coffee and take in a deep breath of God's grace.

More information about One Hour is available by visiting www.one-hour.org or calling Brad Zevenbergen at 712-251-8860 or e-mailing him at info@one-hour.org.
