### **Minot State Softball Team Tries To Break Wiffle Ball** Record

MINOT, N.D. (AP) — Some Minot State University students pulled an all-nighter over the weekend, but they were concentrating on plastic bats and balls rather than textbooks. Ten members of the MSU softball team

played 31 hours, 32 minutes and 33 seconds of wiffle ball in an effort to break the Guinness world record for the longest wiffle ball marathon. Guinness has yet to verify the mark.

The current world record of 25:39:33 was set in Medford, Oregon, in August 2013. A group from St. Louis, Missouri, unofficially broke that mark with a time of 30:11:17 last October. That result is pending review, as is Minot State's attempt, the Minot Daily News reported.

The MSU game began at 6:05 a.m. Saturday and ended at 3:51 p.m. Sunday. It lasted into the 233rd inning. The Black Team beat the Red Team by a score of 1,011-384.

The world record attempt also served as a

fundraiser for the softball team. "It was definitely a team bonding moment, senior Melissa Bell said.
