MTI's CDL Truck Driving Course Returning

If you're looking for a career opportunity that's in demand, you might want to take advantage of the CDL Truck Driving Course that Mitchell Technical Institute (MTI) plans to offer at RTEC starting July 21. This course, which can help you obtain your Class A Commercial Drivers License (CDL) will be offered at the Regional Technical Education Center (RTEC), 1200 W. 21st St. in Yankton. The 34-hour training course includes 20 hours of CDL Prep classroom instruction at RTEC which will run from 8 a.m. to 5 p.m. on Wednesday, July 21, and Thursday, July 22, and from 8 a.m. to Noon on Friday, July 23. Students will then have an opportunity to take the exam Friday afternoon.

Once the CDL prep portion of the class is complete and students have passed the test, individual driving times with the instructor will be arranged. The driving hours will likely be held in Mitchell and students will be paid mileage and meal costs for those days.
