## MILITARY

### ELLENDORF COMMISSIONED AS 2ND LIEUTENANT IN US ARMY

Kristian D. (Hansen) Ellendorf has been commissioned as a second lieutenant in the U.S. Army after successfully completing the Army ROTC (Reserve Officer Training Corps) program and graduating with a bachelor's degree from South Dakota State University, Brookings.

The new officer will be branched to a specific corps in the Army to serve on active duty or in the National Guard or Reserve. The lieutenant will attend an officer basic course relating to his or her particular military occupational specialty/job. Afterward, the officer will complete advanced training by attending basic officer leadership courses for career progression purposes.

The ROTC curriculum prepares students with the tools, training and experiences to help cadets succeed as effective leaders in any competitive environment. Army officers serve as leaders, counselors, strategists and motivators, who lead other soldiers in all situations occurring in ever-changing environments. As trained problem-solvers, key influencers and planners, they are driven to achieve success with their team on every mission.

She is the daughter of Bill and Barb Hansen of Idaho Ave., Hurley.

### MACKEY GRADUATES FROM BASIC TRAINING IN S. CAROLINA

Army National Guard Pvt. Daniel J. Macke has graduated from basic combat training at Fort Jackson, Columbia, S.C.

During the nine weeks of training, the soldier studied the Army mission, history, tradition and core values, physical fitness, and received instruction and

practice in basic combat skills, military weapons, chemical warfare and bayonet training, drill and ceremony, marching, rifle marksmanship, armed and unarmed combat, map reading, field tactics, military courtesies, military justice system, basic first aid, foot marches, and field training exercises.

Macke is a 1996 graduate of Creighton High School.

### SIMANTEL COMPLETES NAVY BASIC TRAINING IN ILLINOIS

Navy Seaman Recruit Trey R. Simantel, son of Christy L. and Chad A. Simantel of Scotland, recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill.

During the eight-week program, Simantel completed a variety of training which included classroom study and practical instruction on naval customs, first aid, firefighting, water safety and survival, and shipboard and aircraft safety. An emphasis was also placed on physical fitness.

The capstone event of boot camp is "Battle Stations." This exercise gives recruits the skills and confidence they need to succeed in the fleet. "Battle Stations" is designed to galvanize the basic warrior attributes of sacrifice, dedication, teamwork and endurance in each recruit through the practical application of basic Navy skills and the core values of Honor, Courage and Commitment. Its distinctly "Navy" flavor was designed to take into account what it means to be a Sailor.

Simantel is a 2009 graduate of Scotland High School of Scotland.
