# SCHOOL SAFETY

The best way to have a successful school year is to be safe in and outside of school. Start by following these important safety tips.

-  Never go anywhere with a stranger.
-  Don't walk anywhere alone. Always go with a buddy. Know your home address and phone number.
-  Let your parents know if you go somewhere after school.
-  Tell your parents or teachers if someone is bothering you.
-  Don't run in the school hallways.
-  Learn fire drill procedures at school and at home.
-  Don't pet or bother unfamiliar animals.
