#### DAILY RECORD POLICY

The Press & Dakotan publishes police and sheriff reports as a public service to its readers. It is important to remember that an arrest should not imply guilt and that every person is presumed innocent until proven otherwise. When juveniles are released from jail, it is into the care of a parent or guardian. It is the policy of the Press & Dakotan to publish all names made available in the police and court reports. There are no exceptions.

Huron Alumni To Gather Before Demolition of Campus

HURON — Hundreds of Huron College/Huron University Alumnus from across the country are making plans to make one last trip back to the 122-year-old campus on Aug. 12-14, before the wrecking ball begins its work.

Following a prestigious history of academics and athletics, Huron College officially closed its doors in April of 2005. Since then the campus has remained unoccupied and the buildings that once rang with vitality have sustained significant neglect and deterioration. After six years of deliberation of what the future would hold for this long standing landmark, the Community of Huron announced the construction of the Central Park Project that will soon adorn the entire city block that currently houses the aging campus.

The Central Park will feature water slides, a competition pool, a lazy river, a kiddie pool, picnic shelters, playground, walking trails, basketball/tennis/volley ball courts, and the list continues to the tune of a multi-million

dollar facility. In honor of its building site, the designers of the new Central Park have strategically incorporated the cornerstones from the old campus buildings such as Voorhees Hall, McIntire Library, Churchill Hall, Kerr Hall, as well as the school bell into the landscape of the new project. "I view the conscience effort to commemorate the long history of Huron College into the plans for the new Central Park as a tribute to the thousands of faculty, staff and students that graced the grounds and halls of this historic site," stated long time trustee and college supporter, Marilyn Hoyt.

With the news of the campus' demolition, decades of alumni felt the pull of heart strings and intend to return for one last farewell to their alma mater. "We have received word from hundreds of alumni from across the country who are saddened by the loss of the campus, but excited to reminisce and see old classmates," noted Alumni Association Chairman, Dr. Frank Palleria. Graduates and attendees from as far away as

Colorado, California, Arizona, Washington, Florida, Michigan, New York, Virginia, Illinois, Kansas, Wisconsin and Utah are making the pilgrimage to attend the reunion and walk amongst the college structures that will soon be a page in history.

The reunion begins on Friday, Aug. 12, with registration at 3:30 p.m. at the Crossroads Hotel and Convention Center in Huron and a BBQ Social starting at 6 p.m. Saturday, Aug. 13, kicks off at 10 a.m. with a Golf Scramble at Broadland Creek and continue with campus tours and choir rehearsal in the afternoon. Saturday evening starts at 6 p.m. at the Crossroads with a Mixer, followed by a Buffet and Program honoring the 25-Year Anniversary of the 1986 HU Championship Football Team and wraps up with a dance by Galaxy 9. Registrations are necessary and will be closing soon so please contact the Alumni Association at [hcu.reunion@yahoo.com](mailto:hcu.reunion@yahoo.com) for your confirmation.

Committee Launching Weight Loss Event For Area

The Community Health & Safety Committee of the Yankton Area Chamber of Commerce is excited to announce that they are challenging businesses to remove a "TON" from Yankton and wants to invite owners and their staff to join the effort.

The committee is launching a community wide weight loss event. Losing weight can improve an individual's health in many ways. Just losing 10 percent of your current weight can make a difference in the way a person feels on a daily basis. Other benefits of losing weight which are important to employers include:

- Increase energy levels
- Lower cholesterol levels
- Reduced blood pressure
- Reduced aches and pains
- Improved mobility
- Prevention of angina, chest pain
- Decreased risk of sudden death from heart disease or stroke
- Prevention of type 2 diabetes

This program is scheduled to run from Aug. 29-Nov. 18, 2011. A kickoff event will be held for business contacts spearheading the event on Aug. 9 at the mixer held at Avera Sacred Heart Hospital. At this event, businesses will receive information needed to help engage and motivate staff, weekly weight loss tracking information plus answers to any additional questions they may have on the challenge. Aug. 23 there will be an all partici-

pants event at Memorial Park.

There will be a community wide victory celebration to congratulate all participants and recognize the top three individuals and employers with the most weight loss with a variety of prizes. Employers gain so much when their employees lose a little. The committee encourages all businesses to join and help remove a "TON" from Yankton. The minimal cost to join us in this event is listed below:

- Employers with under 25 employees — \$100
- Employers with 25-200 employees — \$200
- Employers with more than 200 employees — \$350

For this cost employers will receive a packet of information to engage and motivate employees to lose weight and Web site support. There will also be amazing prizes awarded. Sign your company up by Aug. 9 to participate.

The benefit to employers and employees by losing weight also provides a significant benefit to the community. All participants are asked to provide a canned food item for each pound lost to the Yankton food bank. The drop off location for the food items will be every Tuesday and Thursday from noon-2 p.m. in the old Radio Shack at the mall.

To sign up your business go to [www.yanktonsd.com/health](http://www.yanktonsd.com/health) or contact the Yankton Area Chamber of Commerce at (605) 665-3636.

would prefer that the expenses for the investigator not exceed \$2,500.

Eng also ordered Monday that duplicates of evidence on paper and CDs be provided to the defense by the prosecution for use by the investigator.

A review hearing for the case was set for 11 a.m. Aug. 22 — the same day that Knoll would have turned 26.

Hines remains in the Yankton County jail on bond.

Check tomorrow's paper for the solution to today's puzzle.

What a bang of a 4th of July it was for my 80th birthday. The card shower picture in the paper started the steady flow of cards, each unique from the sender. I thank everyone for the cards, phone calls, flowers and all my family for the sumptuous supper at our home. A special thanks to Dan, our son from Texas, who grilled all the various meats and jumbo shrimp from Corpus Christi waters and fresh sweet corn from Iowa. It was all super delicious. A thank you to all my relatives and friends from Brandon, Brookings, Burke, Freeman, Huron, Yankton, Sioux Falls, and Sheldon, Iowa, who came to help me celebrate. We had an awesome fireworks display a couple blocks west of us. It can't get much better than this. God Bless you all.
