South Dakota's Starr Named To TSN Preseason All-America FCS Team

VERMILLION — South Dakota junior linebacker Tyler Starr has been named to The Sports Network Preseason All-America FCS third-team, it has been announced. Starr is one of nine players from the Missouri Valley Football Conference to be selected to the team.

Starr (Little Rock, Mo.) had a breakout sophomore season in 2011 on the defensive line for the Coyotes. He led the team and the Great West Conference with 14 sacks for 96 yards, while ranking in the top 10 nationally in sacks. He tallied a team-best seven forced fumbles to go along with two fumble recoveries for 12 yards. Starr had a team and conference high 19 tackles for 108 yards. He ranked third on the team in solo tackles with 42 and was sixth in total tackles with 51.

In just one season, his 14 sacks ranks second all-time in school history in career sacks (27, A.J. Schable (2002-06)).

Starr was named to the College Football Preseason Watch List earlier this week as well.

The Coyote football team opens the 2012 season on Sept. 1, 2012 at Montana.

Wilken, Other Huskers Honored As Distinguished Scholar Award Recipients

LINCOLN, Neb. — The Big Ten Conference announced on Wednesday that 65 Nebraska student-athletes were selected as recipients of the Big Ten Distinguished Scholar Award. The list includes 587 Big Ten student-athletes from every institution and 36 different sports who have earned a minimum grade-point average of 3.7 or higher for the previous academic year.

Among the honorees was Nebraska track and field standout Morgan Wilken, a senior mathematics major from Crofton, Neb.

Coach Gary Pepin's track and field squad led all Nebraska selections with 16 student-athletes on the list. The Nebraska football team added six student-athletes, while the women's soccer and cross country teams each had five student-athletes awarded.

In February of 2008, Big Ten Faculty Representatives established a conference academic recognition to supplement the All-American All-Big Ten program. Similar to the Academic All-Big Ten Honor, Distinguished Scholar Award recipients must be letterwinners in at least their second academic year at their institution. However, the Distinguished Scholar Award encompasses only student-ath-

letes with a minimum GPA of 3.7 or higher for the previous academic year, excluding summer school. The Academic All-Big Ten threshold is a cumulative GPA of 3.0 or higher for a student-athlete's academic career.
