

DO YOU HAVE A HEARING LOSS?

TAKE THIS SIMPLE TEST TO HELP FIND OUT.

DO YOU...

- Have difficulty understanding what is being said, unless you are directly facing the speaker?
- Find yourself complaining that people are mumbling or slurring their words?
- Continually ask people to repeat words or phrases, though they feel they're speaking loud enough?
- Prefer the TV or radio louder than others do?
- Have difficulty understanding conversation within a group of people?
- Avoid group meetings, social occasions, public facilities, or family gatherings where listening may be difficult?
- Have trouble hearing at the movies, house of worship, concert halls, or at other public gatherings - especially where sound sources are at a distance?
- Have ringing in the ears or other head noises (hissing, buzzing, crickets, etc.)? This may be caused by Tinnitus which often accompanies hearing loss.

If you checked at least two of these questions, you may have a hearing loss and need to have your hearing tested.

Call today to schedule your **FREE** hearing consultation and **FREE** test drive with the amazing new Verso.

INTRODUCING AVERA'S NEWEST HEARING HEALTH PROFESSIONAL DR. KENDRA NEUGEBAUER

Kendra Neugebauer
AuD., CCC-A

Avera Medical Group is proud to welcome Dr. Kendra Neugebauer, an audiologist, to Ear, Nose & Throat Yankton.

Dr. Neugebauer was born in Parkston, South Dakota. She earned both her Bachelor of Science Degree in Communication Disorders and Doctorate in Audiology from The University of South

Dakota. While completing her doctorate she gained a broad range of experience serving patients in educational settings, the LEND program, in the Veteran's Affairs Department and various professional clinics. Dr. Neugebauer serves patients of all ages providing comprehensive hearing and vestibular evaluations, industrial hearing conservation, as well as the selection, fitting, and dispensing of hearing aids. Dr. Neugebauer also provides services in our Parkston and Wagner outreach locations.

She approaches each day as a new adventure and opportunity to help improve her patient's quality of life. Her friendly personal attention to her patient's needs epitomizes Avera Medical Group's patient centered approach. She enjoys giving back to the community as well as volunteering for the Special Olympics Healthy Athlete Program. When not at work you will find her being active outdoors spending time with family and friends playing softball, basketball or golfing.
